

Connect to HCC-Campus Wireless Network

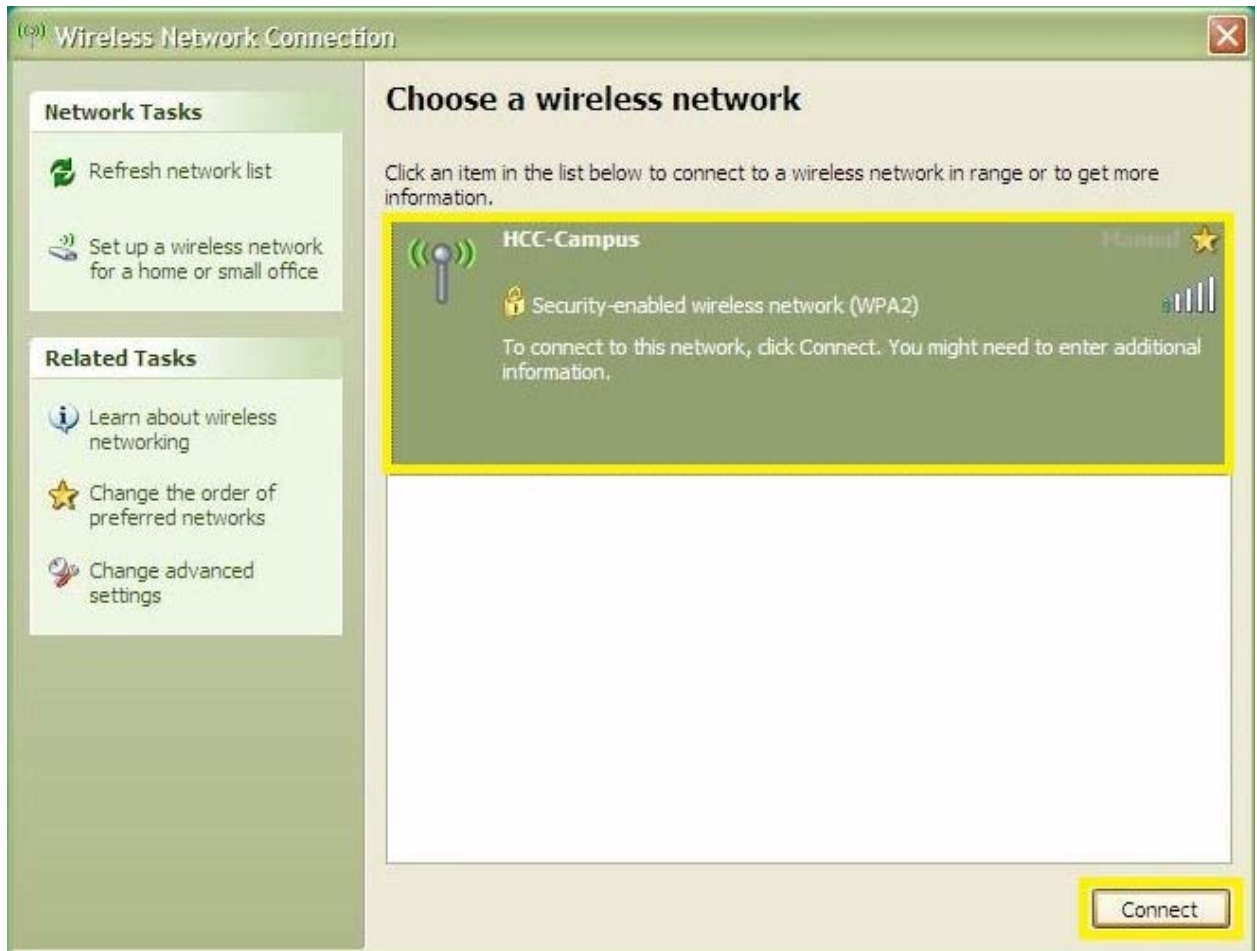

1. Click the **“Start”** button. Move your mouse pointer to **“Connect To”** and then click **“Wireless Network Connection”**.

2. Click the **“View Wireless Networks”** button.

3. Select **HCC-Campus** and click the **“Connect”** button.

4. Wait while the connection is attempted.

5. A notification will pop up in the lower right notifying you to enter credentials. Click on it to continue.

6. A window will appear asking for you to enter your user credentials. Enter your HCC username and password. Enter **HCC-ACAD** in the **Logon domain**. Click the **“OK”** button. Click the **“OK”** button.

Enter Credentials

User name: Your Username

Password: ●●●●●●●
