

<b>HAYWOOD COMMUNITY COLLEGE</b>	<b>STUDENT SERVICES HEALTH SCIENCE PROGRAMS</b>	Procedure 5.1.1.3
--------------------------------------	---	----------------------

The Health Science Programs are designated as limited enrollment programs. Factors for admission include, but are not limited to: clinical space availability, instructor-to-student ratios specified by the applicable accrediting/approving agencies, and/or other limited instructional resources. In addition, Health Science Programs may have additional student enrollment criteria including, but not limited to: 1) successful completion of required pre-requisite and/or co-requisite courses; 2) minimum GPA requirements; 3) successful completion of clinical enrollment requirements (i.e., criminal and drug background checks); and 4) other content criteria.

Specific requirements for Health Science Programs are available from program advisors and listed in the current HCC catalog.
