

HAYWOOD COMMUNITY COLLEGE	STUDENT SERVICES DISCIPLINE AND APPEAL FOR NON- ACADEMIC VIOLATIONS	Procedure 5.3.2.2
--------------------------------------	--	------------------------------

I. OVERVIEW

The Vice President of Student Services is responsible for implementing these Procedures.

These Procedures apply to non-academic violations defined in Policy 5.3.2 – Student Code of Conduct. For academic-related violations, see Procedure 5.3.2.1 – Discipline and Appeal for Academic Violations. For issues regarding sexual harassment and sexual violence, see Procedure 5.3.4.1 – Sexual Harassment and Sexual Violence and for issues related to other forms of unlawful discrimination, see Procedure 5.3.4.2 – Unlawful Discrimination.

II. SANCTIONS FOR VIOLATIONS

The following sanctions may be imposed for non-academic violations:

- A. **Reprimand** - A reprimand is written communication which gives official notice to the student that any further disciplinary offense will carry heavier penalties because of this prior infraction.

- B. **General Probation** - General probation occurs when a student has broken the code of conduct for the first time; however, the action is not severe enough in nature to warrant a more restrictive reprimand. A student being placed on general probation will be warned that any future offense(s) will likely constitute further, more severe reprimands."

- C. **Restrictive Probation** - Restrictive probation results in loss of good standing and becomes a matter of record. While on restrictive probation, the student will not be eligible for initiation into any local or national organization and shall not receive any College award or other honorary recognition. The student may not occupy a position of leadership or responsibility with any College or student organization, publication or activity. This sanction prohibits the student from officially representing the College or participating in any extracurricular activities including intramural competitions. Restrictive probation will be in effect for not less than two (2) semesters including the current semester. Any further disciplinary offenses while under restrictive probation will result in the student's immediate suspension.

- D. **Restitution** - Restitution is paying for damaging, misusing, destroying or losing property belonging to the College, College employees or students. Restitution may take the form of financial payment or appropriate service to repair or otherwise compensate for such damages.
- E. **Withholding Academic Records and/or the Right to Register** - Withholding official transcripts, diplomas or the right to register or participate in graduation ceremonies is imposed when a student's financial obligations are not met or the student has a disciplinary case pending final disposition.
- F. **Interim Suspension** - Interim suspension is the exclusion from all College property and all College activities pending the resolution of a disciplinary proceeding.
- G. **Disciplinary Suspension** – Disciplinary suspension is the exclusion from all College property and all College activities for a specified period of time. This sanction is reserved for those offenses warranting discipline more severe than disciplinary probation. A student under disciplinary suspension must receive specific written permission from the Vice President of Student Services before returning to campus. Disciplinary suspension appears on the student's academic transcript.
- H. **Expulsion** - Expulsion is dismissing from the College. The student may be readmitted to the College only with the approval of the President. Expulsion appears on the student's academic transcript.
- I. **Group Probation** - Group probation is given to a College club or other organized student group for a specified period of time. If group violations are repeated during the term of probation, the charter may be revoked or activities restricted.
- J. **Group Restriction** - Group restriction is removing College recognition during the semester which the offense occurred, or for a longer period (usually not more than one other semester). While under restriction, the group may not seek to add members, hold or sponsor events in the College community or engage in other activities as specified.
- K. **Group Charter Revocation** - Revocation is the removal of College recognition for a group, club, society or other organization for a minimum of two (2) years. Re-charter after that time must be approved by the President.

III. IMMEDIATE REMOVAL FROM CAMPUS

If an act of misconduct threatens the health, safety or well-being of any member of the academic community and/or seriously disrupts the function and good order of the College, an instructor will immediately notify any College Vice President or Dean who will immediately meet with the student and direct the student to cease and desist such conduct and advise the student that failing to cease and desist will result in an immediate removal from campus. If the student(s) fail(s) to cease and desist, or if the behavior is such that the student(s) needs to immediately be removed from campus, the College Vice President or Dean may then immediately have the student(s) removed from campus.

The College Vice President or Dean invoking the removal shall notify the Vice President of Student Services in writing of the student involved and the nature of the infraction as soon as possible but no more than one (1) working day following the incident. Upon receipt of the College Vice President or Dean's written notice, the Vice President of Student Services shall meet with the student as soon as possible to allow the student to present his/her side. If, in the Vice President of Student Services' opinion, the student's behavior threatens the health, safety and well-being of the College community, the Vice President of Student Services shall place the student on interim suspension pending the outcome of the disciplinary matter. Interim suspension may be imposed only: (a) to ensure the safety and well-being of members of the College; (b) to ensure the student's own physical or emotional safety and well-being; or (c) if the student poses a direct threat of disruption or interference with the normal operations of the College.

IV. DISCIPLINARY PROCEDURES

In order to provide an orderly system for handling student disciplinary cases in accordance with due process and justice, the following procedures will be followed:

A. Incident Report

Any College employee or student may file written charges with the Vice President of Student Services against any student or student organization for violations of the Student Code of Conduct. The individual(s) making the charge must complete and submit an [Incident Report](#) within five (5) business days of the incident given rise to the alleged violation.

B. Investigation and Determination

The Vice President of Student Services, or his/her designee, shall conduct an investigation into the charges and allegations. Within ten (5) business days after receipt of the incident report, the Vice President, or his/her designee, shall complete his/her investigation of the charges and shall meet with the student (or student representative(s) on behalf of a student organization), present the results of the investigation and provide the student (or student representative(s)) with an

opportunity to present his/her side. After discussing the alleged infraction with the student, the Vice President of Student Services, or his/her designee may act as follows:

1. Drop the charges; or
2. Impose a sanction

C. Notification

The Vice President of Student Services, or his/her designee, shall provide the student with his/her written decision and instructions governing the appeal process. Such notice shall be given in person or sent to the student's College email address or mailing address of record via Certified mail – return receipt. Notification will also be sent to the Vice President of Instruction, and any instructors impacted by the decision.

V. Student Voluntary Withdrawal

If a student is accused of violating the Student Code of Conduct and voluntarily withdraws prior to the conclusion of the disciplinary matter without the consent of the Vice President of Student Services, the student will not be allowed to re-enroll to the College unless reasonable re-entry restrictions, as determined by the Vice President of Student Services, are satisfied. For students who withdrew prior to a determination regarding alleged misconduct that threatened the health, safety or well-being of any member of the academic community and/or seriously disrupted the function and good order of the College, in addition to other reasonable re-entry restrictions, the student must provide proof from a psychiatrist or licensed psychologist, at the student's expense, that the student no longer poses a direct threat.

A student who disagrees with the Vice President of Student Service's decision may request an appeal before the Disciplinary Review Committee ("Committee").
