

You have indicated that there are circumstances that may affect the results of your 2018-2019 Free Application for Federal Student Aid (FAFSA). If the circumstance falls into one of the categories listed on this form, you may submit a Request for Professional Judgment. You must include all required documentation. Incomplete submissions will not be reviewed. If a correction is made to your FAFSA, it may result in a reduction in the base year income or the use of projected income for the current year. **In many cases, an adjustment does not increase eligibility for grants.** You will be notified after your request has been reviewed.
