

HAYWOOD COMMUNITY COLLEGE	STUDENT SERVICES STUDENT THREAT ASSESSMENT	Policy 5.3.3
--------------------------------------	---	-----------------

I. Purpose of Student Conduct Review

The College has an obligation to provide a safe place for its students to learn and a safe place for its employees to work. When any College employees or students have a concern about a student’s potential to have a negative consequence on the safety of College employees, other students or themselves, they are encouraged to report the matter to the Vice President for Student Services (“Vice President”). If warranted, a Student Assessment Team (“SAT”), a cross-functional multidisciplinary group focused on prevention and early-intervention for students exhibiting concerning behaviors, may be used to address the situation. The following procedures are outlined to guide this process.

II. Procedures for Conduct Review

A. Step One

College employees or students who are concerned about a student displaying elevated levels of distress, disturbance, or dysregulation (e.g. suicidal thoughts or impulses, violent and aggressive impulses, depression, disruptive behavior, physical or sexual abuse) or displaying behavior that poses a direct threat to the health, welfare and safety of the College community are encouraged to contact the Vice President for Student Services (“Vice President”).

B. Step Two

The Vice President will conduct a review based on the report. When conducting the review, the Vice President shall consider, among other things: (a) the severity of the reported behavior; (b) whether the reported behavior represents a direct threat to the health, welfare and safety of the College’s community; (c) the student’s academic, attendance and discipline records; (d) whether this type of behavior has been reported in the past; and (e) whether or not the reported behavior, if true, violates the Code of Student Conduct.

When conducting the review, the Vice President may: (a) speak with the student; (b) gather additional evidence or information by interviewing members of the College community; (c) compile additional documentation; and (d) review other evidentiary sources.

Based on the result of the conduct review, the Vice President may do the following: (a) treat the matter as a disciplinary action pursuant to Policy 5.3.2 – Student Code of Conduct, if a violation is believed to have occurred; (b) make a written referral of his/her findings to SAT for review; or (c) no further action is warranted. If the Vice President makes a referral to SAT, he/she shall inform the student in writing

concerning the referral and shall provide both the student and SAT with a copy of his/her conduct review findings.

III. SAT (Student Assessment Team) Review and Determination

A. Membership

Members of the SAT are:

1. Vice President of Student Services (Chair)
2. Student Services Counselor
3. Campus Development Representative
4. Campus Resource Officer
5. One at-large appointee by Vice President
6. Other appointees as needed

B. SAT Review

If referred by the Vice President, the SAT will review the concern to determine if the speech or behavior in question is creating, or may lead to, an unsafe environment and impede the success of the student in question. The SAT's report will be based on the nature of the behavior, the severity of the safety risk and the student's needs.

As a part of this evaluation, the SAT will review the Vice President's findings and may meet with the individual(s) bringing forth the concern, witnesses and the student in question. Further, the SAT may request or require that the student be evaluated by outside professional(s) to determine their suitability to be a student at the College. The student will have an opportunity to review any documentary evidence reviewed by the SAT and will be allowed to address the SAT and may be accompanied by an advocate; however, only the student will be allowed to address the SAT and not the advocate.

C. SAT Determination

Upon completion of the review, the SAT will document their written findings and determination in writing to the student. The SAT may include, but is not limited to, the following recommendations in their findings:

1. No action required.
2. Propose a resolution to address miscommunication.
3. Propose an action plan to address concerning behaviors and support student success.
4. Refer student for an external psychological assessment at the College's expense and without further recommendation for an assessment.

5. Refer the matter to Policy 5.3.2 – Student Code of Conduct to initiate appropriate disciplinary action if a violation is believed to have occurred. The SAT is not authorized to suspend or involuntarily withdraw a student.

A student's failure or refusal to comply with determination of the SAT as administered by the Vice President of Student Services will constitute a basis to charge the student with an offense under Policy 5.3.2 – Student Code of Conduct and administer according to Procedure 5.3.2.2 – Discipline and Appeal Procedure for Non-Academic Violations.

All documentation associated with each concern addressed will be maintained in the student's permanent record.

D. Incident Follow-up

If warranted, the SAT, at its discretion, may require periodic follow-ups with the student. The desire and frequency of such follow-ups shall be included in the SAT's written determination. Failure by the student to participate in required follow-ups may be treated as a disciplinary infraction.
