The Career and College Promise program allows eligible high school students to earn college credit, tuition-free. Students who meet academic eligibility requirements are able to enroll in college classes through career technical education or college transfer pathways. Courses in these dual credit programs are taught on the high school campuses, at Haywood Community College (HCC), and online. Career and College Promise students have the opportunity to meet two graduation requirements, both in high school and college, simultaneously, allowing them to save time and money.

Haywood Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificate, diploma, and associate's degrees. HCC is an equal opportunity institution and does not discriminate on the basis of race, religion, ethnicity, national origin, gender, gender identity, sex, age, disability, genetic information and veteran status. This brochure does not replace or supersede the course catalog.

COLLEGE TRANSFER PATHWAYS

College Transfer Pathways Overview

The College Transfer Pathways are designed for high school juniors and seniors who wish to take courses toward a college transfer degree and/or a baccalaureate degree. It also gives students the opportunity to experience the rigor and independence of college life.

Upon completion of a College Transfer Pathway, the student may complete his/her college transfer degrees at Haywood Community College. Or, the student may apply for admission and receive credit for general education courses at all North Carolina public universities or a participating independent college or university.

Ninth and Tenth Grade College Transfer Pathway 1

1. Be identified as gifted by local AIG plan in English/writing and math **and**
2. Demonstrate college readiness via assessment **and**
3. Receive recommendation of maturity to enroll from high school principal or equivalent administrator, approval of the college president or CAO or CSDO, and AIG coordinator (if applicable) **and**
4. Have consent of parent or guardian **and**
5. Receive academic advising

Ninth and Tenth Grade College Transfer Pathway 2

1. Score in the 92nd to 99th percentile on an acceptable aptitude and achievement test **and**
2. Demonstrate college readiness via assessment **and**
3. Receive recommendation of maturity to enroll from high school principal or equivalent administrator, approval of the college president or CAO or CSDO, and AIG coordinator (if applicable) **and**
4. Have consent of parent or guardian **and**
5. Receive academic advising

Eleventh and Twelfth Grade College Transfer Pathway

1. Have a 2.8 unweighted high school GPA **or**
2. Demonstrate college readiness via assessment **or**
3. Completion of required supplemental coursework

Test	PSAT10 and PSAT/NMSQT (2015 and future)	SAT (March 2016 and future)	Pre-ACT and ACT
English/Writing	26 or a composite score of 460 for Evidenced-Based Reading and Writing	480 composite score for Evidenced-Based Reading and Writing	18
Reading	26 or a composite score of 460 for Evidenced-Based Reading and Writing	480 composite score for Evidenced-Based Reading and Writing	22
Math	24.5 or 510	530	22

Note: With approval of the high school principal or his/her designee and the college's chief academic officer or chief student development administrator, a student may concurrently enroll in:

- One College Transfer Pathway and one Career Technical Education Pathway or
- One College Transfer Pathway and one Workforce Continuing Education Pathway

College Transfer Pathway Leading to the Associate in Arts (P1012C)

The CCP College Transfer Pathway Leading to the Associate in Arts is designed for high school juniors and seniors who wish to begin study toward the Associate in Arts degree and a baccalaureate degree in a non-STEM major. The general education requirement includes study in courses selected from the Universal General Education Transfer Component (UGETC) of the Comprehensive Articulation Agreement.

High school students in the CCP College Transfer Pathway Leading to the Associate in Arts must complete the entire pathway before taking additional courses in the Associate in Arts degree, with the exception of mathematics courses beyond MAT 171 in the Associate in Arts.

Associate Degree Nursing (ADN) Pathway (P1032C)

The Career and College Promise (CCP) ADN Pathway is designed for high school juniors and seniors who wish to begin their educational studies toward the Associate in Nursing degree and a Baccalaureate degree in Nursing. The Pathway is based on Block 1 of the Uniform Articulation Agreement between the University of North Carolina's Registered Nurse to Bachelor of Science in Nursing programs and the North Carolina Community College Associate Degree Nursing Programs which was approved by the State Board of Community Colleges and the UNC Board of Governors in February 2015. Asterisk indicates course with pre-requisite.

A student who completes an Associate in Applied Science (AAS) in Nursing, which includes the courses listed below, with a GPA of at least 2.0 and a grade of C or better and completes the courses in Blocks 2-3 of the Uniform Articulation Agreement between the University of North Carolina's Registered Nurse to Bachelor of Science in Nursing programs and the North Carolina Community College Associate Degree Nursing Programs with a GPA of at least 2.0 and a grade of C or better, and who holds a current unrestricted license as a Registered Nurse in North Carolina will have fulfilled the UNC institutions lower-division general education requirements as well as nursing program entry requirements. However, because nursing program admissions are competitive, no student is guaranteed admission to the program of his or her choice.

High school students in the CCP Associate Degree Nursing Pathway to the Associate in General Education Nursing (A1030N) program must complete the entire pathway before taking additional courses in the Associate in General Education Nursing (A1030N) program

GENERAL EDUCATION: (23 semester hours)

These courses are contained in Block 1 of the Five Block Degree Plan located within the RN to BSN Articulation Agreement.

Total Semester Hours Credit in Pathway: 24

Social/Behavioral Sciences: 3 semester hours (required)

ECO 251	Principles of Microeconomics	3 credit hours
---------	------------------------------	----------------

Mathematics: 8 semester hours (required)

Calculus I is the lowest level math course that will be accepted by the engineering programs for transfer as a math credit.

Students who are not calculus-ready will need to take additional math courses.*

MAT 271*	Calculus I	4 credit hours
MAT 272*	Calculus II	4 credit hours

Natural Sciences: 8 semester hours

CHM 151	General Chemistry I	4 credit hours
PHY 251*	General Physics I	4 credit hours
PHY 252*	General Physics II	4 credit hours

Other Required Courses: 6 semester hours

Academic Transition: 1 semester hour (required)

ACA 122	Transfer & Career Success	1 credit hours
---------	---------------------------	----------------

Engineering: 5 semester hours (required)

EGR 150	Introduction to Engineering	2 credit hours
DFT 170	Engineering Graphics	3 credit hours

*Prerequisite General Education: 0-8 semester hours

MAT 171	Pre-Calculus Algebra	4 credit hours
MAT 172	Pre-Calculus Trigonometry	4 credit hours

Students who do not place directly into MAT 271 must complete MAT 171 and MAT 172 prior to enrolling in MAT 271 Calculus I.

Foreign Language: 6 semester hours (Optional)

SPA 111	Elementary Spanish I	3 credit hours
SPA 112*	Elementary Spanish II	3 credit hours

High school students in the CCP College Transfer Pathway Leading to the Associate in Engineering must complete the entire pathway before taking additional courses in the Associate in Engineering degree with the following exception: Students may take additional math courses beyond MAT 272 that are required for the Associate in Engineering degree.

CAREER AND COLLEGE READY

Career and College Ready (CRP) Overview

The CCP Career and College Ready Pathway offers high school students career exploration and college preparatory coursework, facilitating their transition to college or the workforce. Students who complete the required supplemental coursework may qualify for any approved CCP Pathway available at participating colleges.

Rising eleventh and twelfth grade

1. Receive academic advising
2. Program eligibility is different than course requirements. Students must satisfy course requirement prior to enrollment.
3. Students who complete required supplemental courses, should be considered college ready.

College Ready Pathway (Gateway to College)

The CCP Career and College Ready Pathway offers high school students career exploration and college preparatory coursework, facilitating their transition to college or the workforce. Students who complete the required supplemental coursework may qualify for any approved CCP Pathway available at participating colleges.

Supplemental Courses (4-6 semester hours)

Students who satisfy college readiness criteria are exempt from supplemental courses.

English Composition: 2-3 semester hours

Select one course from the following:

ENG 025	College English Skills	3 credit hours
ENG 045	English Skills Support	2 credit hours

Mathematics: 3 semester hours

Select one course from the following:

MAT 025	Concepts of Essential Math	3 credit hours
MAT 035	Concepts of Algebra	3 credit hours

Gateway Courses (6-8 semester hours)

Select two courses from the following.

Mathematics: 3 semester hours

Select one course from the following:

MAT 110	Mathematical Measurement	3 credit hours
MAT 143	Quantitative Literacy	3 credit hours
MAT 152	Statistical Methods I	4 credit hours
MAT 171	Precalculus Algebra	4 credit hours

Other Required Hours

WBL 110	World of Work	1 credit hours

CAREER TECHNICAL EDUCATION PATHWAYS

Career Technical Education (CTE) Pathways Overview

The Career and College Promise Career Technical Education Pathway leads to a certificate or diploma aligned with a high school Career Cluster. Upon completion of a CTE Pathway, students will have earned substantial college credit toward an Associate in Applied Science (AAS) degree.

Ninth and Tenth Grade Career and Technical Education Pathway 1

1. Have the recommendation of the high school principal or his/her designee (assessment scores should be considered) and rationale for recommendation, **and**
2. Recommendation of the college's CAO or CSDO, **and**
3. Grade of C or better in Math 1, EOC score of 3, 4, or 5 for Math 1, and EOG score of 3, 4, or 5 for eighth grade ELA Assessment, **and**
4. Receive academic advising

Ninth and Tenth Grade Career and Technical Education Pathway 2

1. Have the recommendation of the high school principal or his/her designee (assessment scores should be considered) and rationale for recommendation, **and**
2. Recommendation of the college's CAO or CSDO, **and**
3. Demonstrate Readiness on approved assessments in English, reading, and math, **and**
4. Receive academic advising

Eleventh and Twelfth Grade Career and Technical Education Pathway

1. Have a 2.8 unweighted high school GPA, **or**
2. Demonstrate college readiness via assessment, **or**
3. Completion of required supplemental coursework, **or**
4. Recommendation of principal/designee with the rationale for recommendation in place of the GPA requirement, **and**
5. Receive the recommendation of the college's COA or CSDO

Test	PSAT10 and PSAT/NMSQT (2015 and future)	SAT (March 2016 and future)	Pre-ACT and ACT
English/Writing	26 or a composite score of 460 for Evidenced-Based Reading and Writing	480 composite score for Evidenced-Based Reading and Writing	18
Reading	26 or a composite score of 460 for Evidenced-Based Reading and Writing	480 composite score for Evidenced-Based Reading and Writing	22

TRANSITIONAL STUDIES AND HIGH SCHOOL PARTNERSHIPS

Ems 4200 Emergency Medical Technician

EMTs provide out-of-hospital emergency care and transportation for sick or injured patients who access the EMS system. EMTs have the basic knowledge and skills necessary to stabilize and safely transport patients ranging from nonemergency and routine medical transports to life-threatening emergencies.

Prerequisites:

1. 17 years of age on or before the official end date of the course.
2. Possession of a high school diploma, high school equivalency or successful completion of an exam assessing basic reading comprehension skills at a minimum at the eleventh-grade level.

FIP 3031 Fire Fighter Training Block 1

This course includes Orientation, Fire Service Communications, Firefighter Health & Safety, Personal Protective Equipment, Building Construction, Portable Extinguishers, Fire Behavior, Tools and Forcible Entry, and Loss Control.

FIP 3032 Fire Fighter Training Block 2

This course includes Ladders, Ventilation, Ropes & Knots, Search & Rescue, Water Supplies, Hose, Streams, and Appliances, and Emergency Medical Care.

FIP 3033 Fire Fighter Training Block 3

This course includes Rescue, Fire Detection & Suppression Systems, Fire and Life Safety Initiatives, Mayday, Firefighter Safety and Survival, Hazardous Materials Ops, and TIMS.

NUR 3240 Nurse Aide I

Certified Nursing Assistants, CNA, are the caregivers who, for the most part, help patients of all ages perform the most basic day-to-day tasks. CNA's work under the supervision of a nurse, and since they have extensive daily contact with each patient, they place a key role in keeping the nurse up-to-date on vital information about the patient's conditions.

Prerequisites:

1. Students must have reading test results at a 9th grade level or above.
2. If under age 18, need a minor permission form filled out by the student, parent or guardian and principal.

Location of courses: Haywood Community College/Online

Contact Jessica Moran, Dean of Transitional Studies & High School Partnerships, for more information about programs offered to specific schools.
