A Message from the Department of Safety and Security

On behalf of the College Safety and Security Department, it is my pleasure to welcome you to Haywood Community College (HCC). I want to thank you for taking the time to review our Annual Safety and Security Report.

Our department is committed to providing a safe and secure learning environment for our faculty, staff, students, and visitors. The following information is designed to provide you with guidance, answers to common questions, and help to ensure your safety and security while at HCC.

A truly safe campus can only be achieved through the cooperation of all individuals on campus. I hope you will use this information to become our partners in preventing crime. While our officers actively work to control crime, members of our campus community can help by always being alert, by taking notice of details if you ever witness criminal activity and by reporting that information immediately to College Security staff.

Our goal is to provide a safe learning environment. By working together, we can achieve that goal. I encourage you to get to know us. If you have questions, by all means, don't hesitate to ask or say "hello" to us as you see us on campus.

The College's latest crime statistics are available to the public. HCC crime stats are available on our website.

Misty Greenarch Massingale

Coordinator of Campus Safety Services, Campus Development

Haywood Community College

Introduction

Haywood Community College Safety & Security Department prepares this report in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistic Act (Clery Act). This report is designed to provide you with important information about your safety and security by providing you with statistics about crimes that occur on campus. These statistics include crimes reported to Campus Security Department, Student Services, and crime information requested from local law enforcement agencies about crimes committed near our campus and non-campus properties that are reported directly to other law enforcement agencies.

All reports are taken seriously and are investigated. Action will be taken for all violations of the Student Code of Conduct.

Timely Warnings

To provide timely notice to the campus community in the event a crime that may pose a serious or ongoing threat to a member or members of the campus community, the campus will issue a timely warning and post the warning through the campus email to all students, staff, and faculty.

The purpose of these timely warnings is to notify the campus community of the incident and to provide information that may enable community members to protect themselves from similar incidents. A timely warning will be decided by case depending on all the facts surrounding a crime, including factors such as the nature of the crime, the continuing danger or threat of danger to the campus community, and the possible risk of compromising law enforcement efforts. Haywood Community College may decide not to issue a timely warning if the suspect is in custody or other facts indicate that a danger has passed and it is unlikely to reappear, or the timely warning would likely identify the victim; a report is not filed, or campus is not notified in a manner that would allow for a “timely” warning.

Haywood Community College may, in some circumstances, issue safety message. When a situation is not an emergency or does not pose an immediate threat to the campus community, but is of significant interest to campus, the college may issue an informational message in the form of a Safety Message. The intent is to make the campus community aware by providing information about a situation such as a crime or series of crimes that have been committed off-campus, the potential for inclement weather, flooding, or a major utility disruption. In these situations, the College communicates by sending a campus-wide email message to students, staff, and faculty to keep the campus community informed. Anyone with information regarding criminal activity or information that could warrant a timely warning should report the circumstances to Campus Security immediately by phone at 828.734.5410.

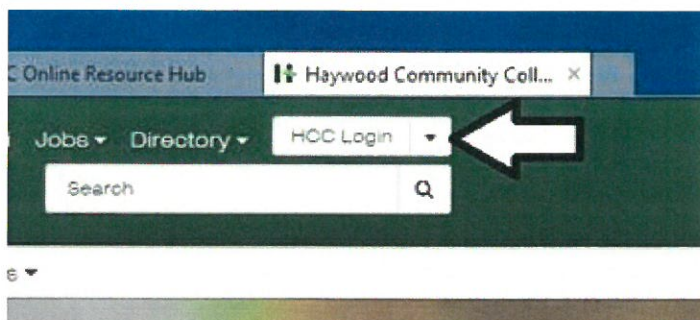

Regroup, Emergency and Weather Notifications

Haywood Community College also has an emergency and inclement weather alert system called "Regroup," which is used for communicating inclement weather alerts and emergency information. In the event of adverse weather, campus closings, or emergencies, subscribers can receive emails, text messages, and phone calls.

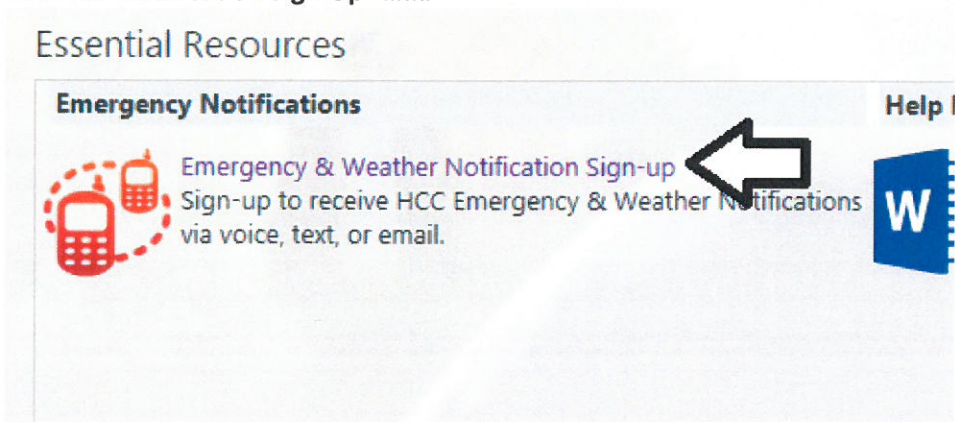

By default, all Haywood Community College students, faculty, and staff are subscribed to this service to receive email notifications to your HCC email addresses. However, to be alerted by text message, voice phone call, and/or secondary email, you must update your account. (Standard message rates apply.)

If you have not already done so, and wish to receive notifications via personal phone, texts, and/or secondary email, please complete the following steps. (This is optional, but highly recommended).

- 1) Go to www.haywood.edu and log into the portal by clicking on "HCC Portal" in the upper right-hand corner.

- 2) After logging in, scroll down to the **Essential Resources** area, and select the "Emergency & Weather Notification Sign-Up" link.

- 3) Finally, follow the instructions provided to sign in to your regroup account to add a phone number or alternate email address.

None of us are invincible.

Risks, crime, and personal injury are threats we all face in daily living. But we can keep ourselves and others safe by using our heads and being aware of our surroundings. Safety is not just the responsibility of security officers or administration; everyone has a role to play. We hope this guide provides you with the tools needed to deal with these scenarios effectively.

Report It!

When reporting an incident to authorities, remember to provide the following pertinent information:

*Who? *What? *When? *Where? *Why? *How?

While on college premises, all persons are expected and required to comply with federal, state, and local laws and ordinances, as well as College policies governing conduct. Persons in violation of these standards will be subject to action deemed appropriate by the responsible authority.

HCC employees and students participating in off-campus (college-sponsored) activities must report criminal incidents to the local law enforcement agency having jurisdiction, and inform Campus Security as soon as possible after the incident. Violations of the HCC Student Code of Conduct must also be reported.

Known or suspected violations of federal and state laws and other emergencies should be reported to Campus Security. Campus Security supports the Vice President of Student Services in the enforcement and investigation of violations of the HCC Student Code of Conduct as outlined in the HCC Catalog & Handbook. HCC students agree to abide by this policy upon enrollment at the College.

When describing an incident:

- Stay objective
- Keep things in order
- Give your location

When describing a person:

- Note features, i.e., hair color, height, facial structure, build, etc. rather than solely focusing on clothes which can be changed quickly.
- Describe distinctive characteristics, such as tattoos, birthmarks, or scars.

When describing an object:

- Note of the basics: size, color, and shape.
- Jot down any other identifying characteristics; a license number, a distinguishing smell, or any other attributes that may be used to identify the object.

“Little things” can cause big problems. When in doubt, report them.

Bomb / Terror Threats

These dangers can come in a variety of shapes and forms. Know how to keep yourself and others safe.

- Listen carefully and follow the directions given by Security, Law Enforcement, or college employees.
- Try not to panic or assume the worst.
- Take drills seriously and encourage those around you to do the same.
- Don't Delay. Many disasters have been averted because an individual took the time to report something out of the ordinary.
- Don't "Joke" about a bomb threat. Doing so can cause panic, waste valuable resources, threaten your academic future, and/or get you a fast-pass to the police department.

Natural Disasters

Catastrophic events, such as tornados, hurricanes, and flooding, can leave behind varying degrees of disarray. Take natural disaster response seriously by:

- Following evacuation procedures quickly and completely.
- Comply with the directions given by trained personnel.
- Be proactive. Learn what to do in an emergency beforehand.

Cyberspace

Cyberspace is not necessarily a safe space, despite the perceived anonymity. An increasing number of technology-based threats are present in today's world. Don't get caught up in the web. Stay informed and take the proper precautions to maintain your safety.

Identity Theft

Don't give your Social Security number to unknown individuals. This information can be used to obtain sensitive, personally-identifying information, including credit reports, account information, etc. Identity theft is hard to overcome, often involving years of tracking, damage control, and re-establishing damaged credit ratings. Don't risk it!

Keep Your Stuff Safe!

- Don't leave your personal belongings unattended anywhere at any time.
- Always lock your vehicle, and if you are going to leave personal belongings inside your vehicle, don't leave them in plain view.

Hate / Bias-related Incidents

Notify Security if someone threatens you or someone else based on race, religion, gender, sexual orientation, or other characteristics. No one needs to tolerate fear or intimidation.

The Dos and Don'ts of a Crisis

- If a classmate seems ill, intoxicated or drugged, get Help Immediately! Don't worry about getting them "in trouble," their safety and well-being must be your main concern.
- Stay calm in a crisis. Quick, clear thinking can make all the difference in a bad situation.
- Don't interfere with the efforts of medical or emergency personnel. They have been trained to deal with emergencies. Stay out of their way.
- If someone is bleeding, apply pressure, and ask someone to get help.
 - Don't transport a friend to the hospital. You may do more harm than good by moving someone without having medical training.
 - Don't play Hero by stepping into a dangerous situation. You may get hurt, creating a more difficult scenario. Get Help.

Know What to Do

- Be prepared.
- Know the ins and outs of your campus
- Know the locations of emergency phones and call boxes.
- Memorize Security's contact numbers (save time every second counts!)
- Know where fire alarm pull boxes, fire extinguishers, and first aid kits are located at in all the buildings you frequent.

Fire Extinguishers: Understand the different types and how to use them.

Fire Alarms: Know where they are on campus, Sound them immediately when a fire is found.

Quick action save lives.

Fire Exits: Know where all the fire exits are in your buildings.

Stalkers: If someone is stalking you, report it to Security and local Law Enforcement agencies. A restraining order or some other action may be taken to keep you safe. And it makes them aware of the situation and gives them and you back some of the control of the situation.

Obscene Phone Calls: Don't engage an unknown caller in conversation or give out any personal information. Keep a record of when the calls are received and what was stated. Save any messages that you receive. And turn everything over to the proper authorities.

Walking Around: Don't walk alone, especially after dark ask for a Security escort or use the Buddy System. And stay on populated well-lit paths.

Being Followed: If you think you are being followed, head toward people, lights, or buildings.

The Element of Surprise: Make it tough for someone to take you by surprise, don't let anything distract you or interfere with your vision or hearing.

- Ensure the windows are closed.
- Make a note of where you have parked.
- Park near a light, if possible, close to your building.

Alcohol and Other Drugs

The majority of safety-related incidents, from sexual assaults to fires to injuries, occur when students are under the influence. You are more likely to take unwise risks when your inhibitions are lowered, and your judgment is impaired. If you are going to drink Never leave a drink unattended, especially when you are at a bar or a party, Never drink from common sources like punch bowls, and never accept drinks from strangers cause there may be more in your drink then the ingredients you expect such as GHB, Rohypnol (Roofies), or Ketamine (Special K) otherwise known as Date Rape Drugs they are odorless and tasteless which make it easy for someone to add it to your drink and you not realize it. And while the impact is a lot worse than a hangover it, puts you into a sedated state which makes you lose inhibitions, succumb to drowsiness, slur your speech, and you forget everything that happens. You can put you in that state for four to six hours. A lot can happen in that amount of time!

Impaired Driving

One drive with or as an impaired driver can alter your life forever. You know this stuff say "NO" and don't feel bullied into accepting a ride with someone who doesn't have your best interests at heart. And, if you have had too much, don't get behind the wheel. Don't even think about it.

Haywood Community College promotes a drug and alcohol-free environment and supports this nationwide movement. Haywood Community College is committed to maintaining such an environment for all employees and students.

Sexual Misconduct

Haywood Community College strongly supports local, state, and federal laws concerning sexual assault and sexual harassment. Any violation or complaint should be made immediately to Campus Security, Human Resources, or the Vice President of Student Success Services. Victims are entitled to all services of HCC and available county services. Crime statistics are gathered from Campus Security logs and incident documentation.

Registered Sex Offenders:

Pursuant to North Carolina General Statute 14-208, individuals who have reportable convictions for any sex offense are required to maintain a registration with the sheriff of the county in which they reside. The North Carolina Sex Offender Registry website may be accessed at the following link: <http://sexoffender.ncdoj.gov/>.

Crime Prevention and Awareness is addressed at Student Orientation, Student Events and safety newsletters are available throughout the year.

HAYWOOD COMMUNITY COLLEGE	ADMINISTRATIVE COMMUNICABLE DISEASES AND OCCUPATIONAL EXPOSURE TO BLOODBORNE PATHOGENS	Policy 2.1.10
------------------------------	--	---------------

I. COMMUNICABLE DISEASE

Communicable diseases, those that have serious effects on human health, can pose a threat to the College community. The College will take all reasonable measures to ensure the safety of members of the College community during global and local infectious disease events. “Communicable disease” is defined as an illness due to a specific infectious agent or its toxic products that arises through transmission of that agent or its products from an infected person, animal, or reservoir to a susceptible host, either directly, or indirectly through an intermediate plant or animal host, vector, or the inanimate environment. Examples of communicable disease include, but are not limited to, acquired immunodeficiency syndrome (AIDS), chicken pox, hepatitis, measles, tuberculosis, meningitis, mononucleosis, whooping cough, coronavirus/COVID-19, and other viral diseases that reach a pandemic level, and for purposes of this Policy only, those communicable diseases which constitute a disability pursuant to the Americans with Disabilities Act.

The College shall not exclude individuals with communicable diseases unless a determination is made that the individual presents a health risk to himself/herself or others. The College shall consider the educational or employment status of those with a communicable disease on an individual basis.

A. Procedure

1. All information and records that identify student or employee as having a communicable disease shall be strictly confidential and shall not be shared or disclosed to others without express permission from the student or employee.
2. Disclosure of medical information shall be made by the President, or his/her designee, only to those on a need-to-know basis in order to protect the welfare of persons infected with a communicable disease or the welfare of other members of the College community.
3. Unauthorized disclosure of confidential student or personnel information by an employee of the College is prohibited. Violation of this prohibition may result in the suspension from, or termination of an individual's employment with the college.
4. A person who knows or has a reasonable basis for believing that s/he is infected with a communicable disease is expected to seek expert advice about his/her health circumstances and is obligated ethically and legally to

conduct himself/herself responsibly toward other members of the College community.

5. Faculty and staff of the College and employees of contractors, or contracted services, who are infected with a communicable disease are urged to notify the appropriate Dean/Director so that the College can respond appropriately to his/her health needs. Students are urged to share information with the appropriate Dean/Director for the same reason.
6. A person infected with a communicable disease (including the HIV/AIDS virus whether active HIV/AIDS, HIV/AIDS-Related Complex, or undetectable viral load) will not be excluded from enrollment or employment or restricted in his/her access to the College's services or facilities unless, in individual cases, the College administration determines that exclusion or other restrictions are necessary for the health and welfare of the College community.
7. Included in making decisions in individual cases which restrict access to employment or a student's education, programs or activities shall be the College President, Legal Counsel for the College, the Deans/Directors, the individual's personal physician, the local Health Director (or designee) and if necessary, another physician with expertise in managing communicable disease cases.
8. The College shall provide information regarding communicable diseases, including HIV/AIDS.

B. Immunizations

Prior to admission or employment, the College may require students and employees to be immunized from certain communicable diseases, including but not limited to measles, mumps, rubella, tetanus, varicella, and meningitis. Students and employees are excused from providing proof of one or more of the required vaccinations if the student or employee has one of the following:

- physician's written statement of immunity due to having had the infection;
- a statement of contraindication to a vaccine (accompanied by a physician's statement);
- a lab blood test/titer documenting immunity; or
- a statement of religious exemption.

Religious and medical exemption letters will be accepted in lieu of immunization information. Medical exemption letters must be accompanied by a physician's statement.

The immunizations listed here are not meant to supersede more restrictive requirements for employment or participation in a specific College program or class, such as childcare, classes that lead to a medical degree or certificate, or clinical programs.

C. Public Health Incidents

Should influenza, or any other communicable disease, reach a pandemic or epidemic level, the President shall regularly monitor the situation by communicating with federal, state and/or local health officials and by reviewing media sources. The President will engage the Pandemic Plan. (Procedure 2.1.5.2: Pandemic Plan)

Should any communicable disease reach a pandemic level within or near the College's service area, the President, after consulting with local, state or federal health officials, may take the following actions if it is determined to be in the best interest of the College community to prevent the spread of the communicable disease:

1. Close the College or certain College buildings and/or programs temporarily;
2. Limit or prohibit employee travel and/or student field trips;
3. Prohibit those infected with a communicable disease from coming onto the College campus;
4. To the extent allowed by law, requiring or encouraging employees and students to receive testing and immunizations (not already required by the College) that prevent the spread of a communicable disease before coming back onto the College campus; and
5. Other specific actions deemed necessary for the safety of the College community.

The President shall not quarantine any student or employee while on campus unless the quarantine is ordered by local, state or federal health officials. Persons who are infected with a communicable disease that has reached a pandemic level, or know of someone in the College community who is infected, should contact College officials immediately. Students should contact the Dean of Student Services and employees should contact the Human Resources Office for reporting under this policy.

Any actions undertaken pursuant to this policy will be in accordance with applicable federal and state laws, College policies, and in the best interest of all parties.

A. Reasonably Anticipated Occupational Exposure

An employee who could "reasonably anticipate", as a result of performing required job duties, to face contact with blood, bodily fluids or other potentially infectious

materials is covered by the OSHA Bloodborne Pathogens Standard, the North Carolina Administrative Code, and this Policy. "Occupational Exposure" includes any reasonably anticipated skin, eye, mucous membrane or parenteral (brought into the body through some way other than the digestive tract) contact with blood or other potentially infectious materials that may result from the performance of an employee's duties. "Good Samaritan" acts, such as assisting a co-worker or student with a nosebleed would not be considered "reasonably anticipated occupational exposure."

B. Universal Precautions

Universal precautions will be in force at all times. All blood, body fluid and other potentially infectious material will be handled as if infected. HAYWOOD COMMUNITY COLLEGE	ADMINISTRATIVE SERVICE ANIMALS AND OTHER ANIMALS ON CAMPUS	Policy 2.2.9
------------------------------	--	--------------

I. OVERVIEW

In accordance with Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990 and other applicable federal and state law, the College may be required to accommodate an otherwise qualified individual with a disability by making a reasonable modification in its services, programs or activities. This Policy addresses the use of Service Animals and other animals on campus by qualified individuals with disabilities or individuals authorized to provide training.

II. DEFINITIONS

- A. **Emotional Support Animal** – an animal selected or prescribed to an individual with a disability by a healthcare or mental health professional to play a significant part in a person's treatment process (e.g., in alleviating the symptoms of that individual's disability). An emotional support animal does not assist a person with a disability with activities of daily living and does not accompany a person with a disability at all times. An emotional support animal is not a "Service Animal".
- B. **Service Animal** – an animal that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a Service Animal must be directly related to the handler's disability. Examples of work or tasks include, but are not limited to, assisting individuals who are blind or have low vision with navigation and other tasks, alerting individuals who are deaf or hard of hearing to the presence of people or sounds, providing nonviolent protection or rescue work, pulling a wheelchair, assisting an individual during a seizure, alerting individuals to the presence of allergens, retrieving items such as medicine or the telephone, providing physical support and assistance with balance and stability to individuals with mobility disabilities, and helping persons with psychiatric and neurological disabilities by preventing or interrupting impulsive or destructive behaviors. Service Animals may or may not have been licensed by a state or local government or a private agency. Service Animals are limited to service dogs and, in some cases, miniature horses.
- C. **Pets** – any animal that is not an Emotional Support Animal or a Service Animal.

III. ANIMALS ON CAMPUS

Pets are not permitted within buildings and may not be left in vehicles on College property. There are occasions when a student or employee may need to bring an animal onto campus for the purpose of meeting an educational objective. Such requests should be made to the appropriate academic Dean prior to the animal being allowed onto campus. Subject to the

rules set forth in section IV and V below, Emotional Support Animals and Service Animals are permitted in any area of campus where employees or students are permitted, with a few exceptions for health and safety reasons.

IV. PROCEDURES REGARDING SERVICE ANIMALS AND EMOTIONAL SUPPORT ANIMALS.

A. Responsibilities of the Service/Emotional Support Animal Owner/Handler

1. Registration

a. Service Animals

Students and employees are not required to register Service Animals. However, they are encouraged to notify the Disability Services Office (students) or the Office of Human Resources (employees) if they intend to use a Service Animal on campus so that appropriate College officials are aware of the animal's presence and to assist with the Service Animal's access to areas within the College's campus. Visitors with Service Animals are not required to register their animals.

b. Emotional Support Animals

Students or College employees who wish to have an Emotional Support Animal on campus must first bring appropriate documentation from a physician or mental health professional to support having an Emotional Support Animal as a result of their disability, to the Disability Services Office (students) or the Office of Human Resources (employees) to determine if their Emotional Support Animal is allowed on campus. This determination will be decided on a case-by-case basis (see Section B.2). If the Emotional Support Animal is accepted on campus, the student or employee will be required to register the animal and follow the accommodations given by the appropriate staff person.

2. Care and Supervision

- a.** The care and supervision of a Service/Emotional Support Animal is the responsibility of the animal's owner and/or handler. The handler must ensure the animal is in good health and has been inoculated and licensed in accordance with local regulations with the burden of proving licensure and inoculation on the person with a disability. Dogs must wear a rabies tag at all times.

- b. The Service/Emotional Support Animal (or any other animal on campus) must be under the control of the handler at all times and may not be left alone. All animals on campus must be restrained by a leash or other appropriate device that does not exceed six (6) feet in length. In situations where a leash or other device interferes with a Service Animal's ability to perform its task or service, the Service Animal must remain under control of the handler at all times.
- c. The owner and handler of any Service Animal, Emotional Support Animal, or Pet is responsible for any damage of personal property or any injuries to an individual caused by the animal.
- d. The handler must ensure the animal is "housebroken" and trained and must clean up and remove all animal waste created by the animal.
- e. A Service Animal, Emotional Support Animal, or Pet may not disrupt the operation of the College or any class.

B. Responsibilities of the College Community

1. Service Animals

If the need for a Service Animal is obvious, College officials may not question the presence of the animal on campus. If the need for a Service Animal is not obvious, College officials are permitted to ask the handler two questions:

- a. Is the animal required because of a disability?
- b. What work or task(s) has the animal been individually trained to perform?

At no time may a College official require a Service Animal to demonstrate the tasks for which they have been trained nor may they inquire as to the nature of the individual's disability.

If another person on campus has a covered disability under the ADA and it includes an allergic reaction to animals and that person has contact with a Service Animal, a request for accommodation should be made by the individual to the Director of Human Resources (if an employee) or the Disability Services Office (if a student). All facts surrounding the concern will be considered in an effort to resolve the concern and provide reasonable accommodation for both individuals.

2. Emotional Support Animals

The determination of whether a student or employee with a disability is allowed to have an Emotional Support Animal on campus shall be made on a case-by-case basis. Students and employees may request, as a reasonable accommodation for a disability, the need to have an Emotional Support Animal on campus, provided they have documentation from a physician or mental health professional. The College is not required to grant reasonable accommodations that would result in a fundamental alteration of a program or would constitute an undue burden. Any requests for a reasonable accommodation for an Emotional Support Animal shall be directed to the Disability Service Office (students) or the Office of Human Resources (employees).

In determining request for accommodations for an Emotional Support Animal, the consideration is:

- a) Does the person have a disability (i.e. a physical or mental impairment that substantially limits one or more major life activities) with supporting recent documentation from a physician or mental health professional describing the need for an Emotional Support Animal?
- b) Does the Emotional Support Animal perform tasks or services for the benefit of the person or provide emotional support that alleviates one or more of the identified symptoms or effects of the person's existing disability?
- c) Is the request an undue burden on the College or does it fundamentally alter a College program?

C. Removal of Service Animals, Emotional Support Animals, or Pets

The College has the authority to remove a Service/Emotional Support Animal (or any other animal) from its facilities or properties if the animal becomes unruly or disruptive, unclean and/or unhealthy, and to the extent that the animal's behavior or condition poses a direct threat to the health or safety of others or otherwise causes a fundamental alteration in the College's services, programs, or activities.

It is a Class 3 misdemeanor "to disguise an animal as a service animal or service animal in training". N.C.G.S. § 168-4.5. In other words, it is a crime under North Carolina law to attempt to obtain access for an animal under the false pretense that it is a Service Animal.

Additionally, any employee or student who violates any portion of this procedure is subject to disciplinary action.

The following sanctions may be imposed for non-academic violations:

- A. **Reprimand** - A reprimand is written communication which gives official notice to the student that any further disciplinary offense will carry heavier penalties because of this prior infraction.

- B. **General Probation** - General probation occurs when a student has broken the code of conduct for the first time; however, the action is not severe enough in nature to warrant a more restrictive reprimand. A student being placed on general probation will be warned that any future offense(s) will likely constitute further, more severe reprimands."

- C. **Restrictive Probation** - Restrictive probation results in loss of good standing and becomes a matter of record. While on restrictive probation, the student will not be eligible for initiation into any local or national organization and shall not receive any College award or other honorary recognition. The student may not occupy a position of leadership or responsibility with any College or student organization, publication or activity. This sanction prohibits the student from officially representing the College or participating in any extracurricular activities including intramural competitions. Restrictive probation will be in effect for not less than two (2) semesters including the current semester. Any further disciplinary offenses while under restrictive probation will result in the student's immediate suspension.

- D. **Restitution** - Restitution is paying for damaging, misusing, destroying or losing property belonging to the College, College employees or students. Restitution may take the form of financial payment or appropriate service to repair or otherwise compensate for such damages.
- E. **Withholding Academic Records and/or the Right to Register** - Withholding official transcripts, diplomas or the right to register or participate in graduation ceremonies is imposed when a student's financial obligations are not met or the student has a disciplinary case pending final disposition.
- F. **Interim Suspension** - Interim suspension is the exclusion from all College property and all College activities pending the resolution of a disciplinary proceeding.
- G. **Disciplinary Suspension** - Disciplinary suspension is the exclusion from all College property and all College activities for a specified period of time. This sanction is reserved for those offenses warranting discipline more severe than disciplinary probation. A student under disciplinary suspension must receive specific written permission from the Vice President of Student Services before returning to campus. Disciplinary suspension appears on the student's academic transcript.
- H. **Expulsion** - Expulsion is dismissing from the College. The student may be readmitted to the College only with the approval of the President. Expulsion appears on the student's academic transcript.
- I. **Group Probation** - Group probation is given to a College club or other organized student group for a specified period of time. If group violations are repeated during the term of probation, the charter may be revoked or activities restricted.
- J. **Group Restriction** - Group restriction is removing College recognition during the semester which the offense occurred, or for a longer period (usually not more than one other semester). While under restriction, the group may not seek to add members, hold or sponsor events in the College community or engage in other activities as specified.
- K. **Group Charter Revocation** - Revocation is the removal of College recognition for a group, club, society or other organization for a minimum of two (2) years. Re-charter after that time must be approved by the President.

III. IMMEDIATE REMOVAL FROM CAMPUS

If an act of misconduct threatens the health, safety or well-being of any member of the academic community and/or seriously disrupts the function and good order of the College, an instructor will immediately notify any College Vice President or Dean who will immediately meet with the student and direct the student to cease and desist such conduct and advise the student that failing to cease and desist will result in an immediate removal from campus. If the student(s) fail(s) to cease and desist, or if the behavior is such that the student(s) needs to immediately be removed from campus, the College Vice President or Dean may then immediately have the student(s) removed from campus.

The College Vice President or Dean invoking the removal shall notify the Vice President of Student Services in writing of the student involved and the nature of the infraction as soon as possible but no more than one (1) working day following the incident. Upon receipt of the College Vice President or Dean's written notice, the Vice President of Student Services shall meet with the student as soon as possible to allow the student to present his/her side. If, in the Vice President of Student Services' opinion, the student's behavior threatens the health, safety and well-being of the College community, the Vice President of Student Services shall place the student on interim suspension pending the outcome of the disciplinary matter. Interim suspension may be imposed only: (a) to ensure the safety and well-being of members of the College; (b) to ensure the student's own physical or emotional safety and well-being; or (c) if the student poses a direct threat of disruption or interference with the normal operations of the College.

IV. DISCIPLINARY PROCEDURES

In order to provide an orderly system for handling student disciplinary cases in accordance with due process and justice, the following procedures will be followed:

A. Incident Report

Any College employee or student may file written charges with the Vice President of Student Services against any student or student organization for violations of the Student Code of Conduct. The individual(s) making the charge must complete and submit an Incident Report within five (5) business days of the incident given rise to the alleged violation.

B. Investigation and Determination

The Vice President of Student Services, or his/her designee, shall conduct an investigation into the charges and allegations. Within ten (5) business days after receipt of the incident report, the Vice President, or his/her designee, shall complete his/her investigation of the charges and shall meet with the student (or student representative(s) on behalf of a student organization), present the results of the investigation and provide the student (or student representative(s)) with an

opportunity to present his/her side. After discussing the alleged infraction with the student, the Vice President of Student Services, or his/her designee may act as follows:

1. Drop the charges; or
2. Impose a sanction

C. Notification

The Vice President of Student Services, or his/her designee, shall provide the student with his/her written decision and instructions governing the appeal process. Such notice shall be given in person or sent to the student's College email address or mailing address of record via Certified mail – return receipt. Notification will also be sent to the Vice President of Instruction, and any instructors impacted by the decision.

V. Student Voluntary Withdrawal

If a student is accused of violating the Student Code of Conduct and voluntarily withdraws prior to the conclusion of the disciplinary matter without the consent of the Vice President of Student Services, the student will not be allowed to re-enroll to the College unless reasonable re-entry restrictions, as determined by the Vice President of Student Services, are satisfied. For students who withdrew prior to a determination regarding alleged misconduct that threatened the health, safety or well-being of any member of the academic community and/or seriously disrupted the function and good order of the College, in addition to other reasonable re-entry restrictions, the student must provide proof from a psychiatrist or licensed psychologist, at the student's expense, that the student no longer poses a direct threat.

VI. DISCIPLINARY APPEAL PROCEDURE

A. Appeal to the Disciplinary Review Committee

A student who disagrees with the Vice President of Student Service's decision may request an appeal before the Disciplinary Review Committee ("Committee"). This request must be submitted in writing to the Vice President of Instruction within three (3) working days after receipt of the Vice President of Student Services decision. The Vice President of Instruction shall refer the matter to the Committee together with a report of the nature of the alleged misconduct, the name of the Reporting Individual, the name of the student(s) against whom the

charge has been filed, and the relevant facts revealed by the Vice President of Student Services's investigation.

1. Committee Composition

Membership of the Disciplinary Review Committee shall be composed of the following:

2. Committee Hearing Procedures

- a. Pre-Hearing Procedural Responsibilities of the Vice President of Instruction – The Committee must meet within ten (10) working days of receipt of the student's request for a hearing. - ii. The time and place of the hearing.
- iii. A statement of the students' basic procedural rights.
- iv. A list of witnesses that the Vice President of Instruction or designee plans to present.
- v. The names of the Committee members.

At least two (2) days prior to the hearing, the student(s) will provide the Vice President of Instruction with a witness list and whether or not the student will be represented by legal counsel. Failure to notify the Vice President regarding legal counsel could

result in the hearing being continued until such time that the College can have its legal counsel present. Should the College's legal counsel attend, he/she shall serve as the procedural officer for the hearing.

- b. The following due process rights shall apply to the Committee hearing:
 - i. The right to counsel. The role of the person acting as counsel is solely to advise the student(s). The counsel shall not address the Committee.
 - ii. The right to produce witnesses on one's behalf.
 - iii. The right to request, in writing, the Vice President of Instruction to disqualify any member of the Committee for prejudice or bias. (The request must contain reasons). A request for disqualification, if made, must be submitted at least three (3) working days prior to the hearing. If such disqualification occurs, the appropriate nominating body shall appoint a replacement to be approved by the Vice President of Instruction.

 - v. The right to know the identity of the person(s) bringing the charge(s).
 - vi. The right to hear witnesses on behalf of the person(s) bringing the charge(s).
 - vii. The right to testify or to refuse to testify without such refusal being detrimental to the student.
- c. The following hearing procedures shall apply:
 - i. Hearings before the Committee shall be confidential and shall be closed to all persons except the following:
 - The student(s)
 - Counsel(s)
 - Committee Members
 - Vice Presidents, or designee
 - ii. Witnesses shall only be present in the hearing room when giving their testimony.
 - iii. The Vice President of Student Services, or designee, shall present evidence and witnesses to support his/her decision. Committee members may ask questions to the witnesses.

- iv. The student(s) will then have an opportunity to present evidence and witnesses. Committee members may ask questions to the witnesses.
- v. Each side will have an opportunity to make a short, closing argument. The hearing will be audio recorded. Recordings will become the College's property and access to the recordings will be determined by the Committee Chairperson. All recordings will be filed in the office of the Vice President of Student Services. The Chairperson shall establish the record at the close of evidence.
- vi. Upon completion of a hearing, the Committee shall meet in closed session to affirm, reverse or modify the Vice President of Student Service's decision.
- vii. Committee decisions shall be made by majority vote.
- viii. Within two (2) working days after the hearing, the Chair shall notify the student(s) and Vice President of Student Services, in writing, with the Committee's decision.

B. Appeal to the President

A student who disagrees with the ("Committee") decisions may request an appeal to the President. This request must be submitted in writing to the President within three (3) working days after receipt of the Committee's decision. Appeals to the President will only be accepted if additional evidence is brought to light, or the student feels there were procedural errors or discrimination that impacted the decision of the committee.

The President will conduct an "on the record review" of the record presented to the Committee. The President shall provide a written decision to the student, the Vice President of Student Services, and the Vice President of Instruction within ten (10) business days from receipt of the student's appeal.

HAYWOOD COMMUNITY COLLEGE	STUDENT SERVICES BEHAVIORAL ASSESSMENT TEAM	Policy 5.3.3
--------------------------------------	--	-----------------

I. Purpose of the Student Conduct Review

The College has an obligation to provide a safe place for its students to learn and for its employees to work. When any member of the College community (i.e. employees, students, or community members) has a concern about a student's behavior(s), including those that potentially have a negative consequence on the safety of College employees, other students, or the student in question, they should report the matter as directed in Procedure 5.3.3.1 based on the behaviors identified.

Behavioral Assessment Team

The Behavioral Assessment Team ("BAT") is a cross-functional multidisciplinary group focused on prevention and early intervention for students exhibiting concerning behaviors. Any member of HCC Security or College Administration may request a BAT meeting to review concerns related to safety, security, conduct, etc. If warranted, the BAT may be convened at the discretion of the Vice President of Student Services ("Vice President") or his/her designee.

Procedure 5.3.3.1 details the BAT's membership, review process, recommended determinations, outcomes, and follow-up.

Adopted: August 14, 2017

Revised: December 3, 2019

HAYWOOD COMMUNITY COLLEGE	STUDENT SERVICES BEHAVIORAL ASSESSMENT TEAM	Procedure 5.3.3.1
--------------------------------------	--	------------------------------

The following procedures guide the process for the Behavioral Assessment Team (“BAT”).

I. Procedures for Behavioral Assessment Review

A. Step One - Reporting

1. College employees, students, or community members who are concerned about a student displaying the following behaviors should report detailed information to the specified staff as noted below:
 - a. Students who are displaying elevated levels of distress, disturbance, or dysregulation (e.g. suicidal ideations or intent) should be reported to the Office of Student Wellness. It is the responsibility of wellness staff to communicate with HCC Security (and vice-versa) on a case-by-case basis depending on the severity and details of the circumstances. If the behaviors being displayed include actions that suggest a suicidal attempt, or pose an immediate threat to the student or others, the reporting party should contact HCC Security immediately.
 - b. Students displaying violent and aggressive behavior that pose a direct threat to the health, welfare, and safety of the College community should report to HCC security and the Vice President of Student Services (“Vice President”) or his/her designee immediately. It is the responsibility of both HCC Security and the Vice President to communicate with one another on a case-by-case basis depending on the severity and details of the circumstances.
 - c. In the event a behavioral concern involves any actions that could potentially be against the law, or a public safety concern, it is the responsibility of the report recipient to include the School Resource Officer (SRO).
 - d. In the event a behavioral concern involves the actions of an HCC employee, it is the responsibility of the report recipient to include the Director of Human Resources.

The individual who directly witnesses the behaviors noted above should complete an incident report describing the behaviors or threats in detail. All other parties, including those who were informed or previously took any action, should send detailed accounts with any additional information via email to the Office of the Vice President to be included in the report. The incident report is found online at www.haywood.edu/security-and-safety/incident-reporting.

2. College employees or students who are concerned about a student who is displaying normal levels of depression, anxiety, or any other behavior that does not pose a threat to themselves or others as noted in item number (1) of this procedure should complete an early intervention alert in the College’s retention

software. That intervention will be sent to the student's Success Coach and/or Academic Advisor and/or the Office of Student Wellness. It is the responsibility of the Success Coach or Academic Advisor to communicate with the Office of Student Wellness (and vice-versa) to expedite the appropriate assistance to the student.

B. Step Two – Incident Review

In cases where the behavior(s) in question are referred to the Office of the Vice President, he/she will conduct a review based on the nature of the report. When conducting the review, the Vice President shall consider, among other things: (a) the severity of the reported behavior; (b) whether the reported behavior represents a direct threat to the health, welfare and safety of the College's community; (c) the student's academic, attendance and discipline records; (d) whether this type of behavior has been reported in the past; and (e) whether or not the reported behavior, if true, violates the Code of Student Conduct.

When conducting the review, the Vice President, or his/her designee, may: (a) speak with the student; (b) gather additional evidence or information by interviewing members of the College community; (c) compile additional documentation; and (d) review other evidentiary sources.

Based on the result of the review, the Vice President, or his/her designee, may do the following: (a) treat the matter as a disciplinary action pursuant to Policy 5.3.2 – Student Code of Conduct, if a violation is believed to have occurred; (b) issue a Trespass Notice; (c) make a written referral of his/her findings to BAT for review; or (d) no further action is warranted. If the Vice President refers the matter to the BAT for review, he/she will call for a meeting of the BAT for discussion and potential action recommendations. The referral will be communicated to the student on a case-by-case basis as needed at the discretion of the Office of Vice President. The Vice President will also include any other College stakeholders at his/her discretion if deemed appropriate.

II. BAT Membership, Review, and Recommended Actions

A. Membership

Members of the BAT are:

1. Vice President of Student Services (Chair), Or his/her designee
2. Student Wellness Counselor
3. Director of Campus Development
4. HCC Security Officer/s
5. School Resource Officer (Law Enforcement)
6. Vice President of Instruction

7. Director of Human Resources (If Employees Involved)
8. Vice President of Business Operations (If Regional Center for the Advancement of Children is Involved)
9. Other appointees as needed

B. BAT Review

If referred by the Office of the Vice President, the BAT will review the concern to determine if the speech or behavior in question is creating, or may lead to, an unsafe environment and impede the success of the student in question or other students. The BAT's report will be based on the nature of the behavior, the severity of the safety risk and the student's needs.

As a part of this evaluation, the BAT will review the findings and may meet with the individual(s) bringing forth the concern, witnesses, and/or the student in question. Further, the BAT may request or require that the student be evaluated by outside professional(s) to determine their suitability to be a student at the College if the behaviors identified lead to an immediate concern for the safety, health, or well-being of the student themselves or the College community. If requested, the student will have an opportunity to review any documentary evidence reviewed by the BAT and will be allowed to address the BAT and may be accompanied by an advocate; however, only the student will be allowed to address the BAT and not the advocate.

All information shared with the BAT is confidential, and no member is allowed to repeat any information discussed or disclosed with any member of the campus or community unless directed by the Office of the Vice President.

C. BAT Recommended Actions

Upon completion of the review, the BAT will document their written findings and determination in writing to the student. The BAT may include, but is not limited to, the following recommendations in their findings:

1. No action required.
2. Propose a resolution to address miscommunication.
3. Propose an action plan to address concerning behaviors and support student success.
4. Refer student for an external psychological or substance abuse assessment at the College's expense.. Should the results of the assessment indicate that it is not in the best interest of the student's health or safety to be enrolled in the College at that time, the BAT will request a withdrawal until the student can receive the appropriate help deemed necessary by a licensed mental/behavioral health professional.
5. Refer the matter to Policy 5.3.2 – Student Code of Conduct to initiate appropriate disciplinary action if a violation is believed to have occurred.

If a conduct violation has occurred, it is the duty of the Vice President (or his/her designee) to administer a corresponding sanction at his/her discretion.

A student's failure or refusal to comply with determination of the BAT as administered by the Office of Vice President of Student Services will constitute a basis to charge the student with an offense under Policy 5.3.2 – Student Code of Conduct and administer according to Procedure 5.3.2.2 – Discipline and Appeal Procedure for Non-Academic Violations.

All documentation associated with each concern addressed will be maintained in the student's permanent record.

D. Incident Follow-up

If warranted, the BAT, at its discretion, may require periodic follow-ups with the student. The desire and frequency of such follow-ups shall be included in the BAT's written determination. Failure by the student to participate in required follow-ups may be treated as a disciplinary infraction.

HAYWOOD COMMUNITY COLLEGE	STUDENT SERVICES SEXUAL HARASSMENT AND SEXUAL VIOLENCE	Procedure 5.3.4.1
--------------------------------------	---	------------------------------

Haywood Community College strives to make its campuses inclusive and a safe and welcoming learning environment for all members of the College community. Pursuant to multiple federal and state laws and administrative regulations and pursuant to College policy, the College prohibits discrimination in its educational programs and activities based on sex.

Title IX is a comprehensive federal law that prohibits discrimination on the basis of sex in any federally funded education program or activity. Under Title IX, discrimination on the basis of sex includes *quid pro quo* harassment, sexual harassment, and sexual assault, stalking, dating or domestic violence (collectively referred to as "sexual harassment"). The College's Title IX Coordinator has oversight responsibility for handling sexual harassment complaints and for identifying and addressing any patterns and/or systemic problems involving sexual discrimination or harassment.

All allegations involving sexual harassment should be directed to the College's Title IX Coordinator and addressed under these procedures. For other complaints of discrimination and harassment not related to sexual harassment, refer to Discrimination and Harassment Procedure 3.3.7.2/5.3.4.2.

I. DEFINITIONS

The following definitions shall apply to this Procedure. The definitions are not intended to operate as speech codes, promote content and viewpoint discrimination, or suppress minority viewpoints in the academic setting. Indeed, just because a student's speech or expression is deemed offensive by others does not mean it constitutes discrimination or harassment.

In applying these definitions, College administrators shall view the speech or expression in its context and totality and shall apply the following standard: the alleged victim subjectively views the conduct as discrimination or harassment and that the conduct is objectively severe or pervasive enough that a reasonable person would agree that the conduct is discriminatory or harassing.

- A. Actual Knowledge** – notice of sexual harassment or allegations of sexual harassment by the Title IX Coordinator or any College official who has the authority to institute corrective measures on behalf of the College. Actual knowledge is not met when the only College official with actual knowledge is a Respondent.
- B. Complainant** – an individual who is alleged to be the victim of conduct that could constitute sexual harassment.
- C. Consent** – explicit approval to engage in sexual activity demonstrated by clear actions or words. This decision must be made freely and actively by all participants. Non-verbal communication, silence, passivity, or lack of active resistance does not imply consent. In addition, previous participation in sexual activity does not indicate current consent to participate and consent to one form of sexual activity does not imply consent to other forms of sexual activity. Consent has not been

obtained in situations where the individual: i) is forced, pressured, manipulated or has a reasonable fear that they will be injured if they do not submit to the act; ii) is incapable of giving consent or is prevented from resisting due to physical or mental incapacity (including being under the influence of drugs or alcohol); or iii) has a mental or physical disability which inhibits his/her ability to give consent to sexual activity.

- D. Dating Violence** – crimes of violence against a person with whom the person has or had a social relationship or a romantic or intimate relationship.
- E. Domestic Violence** – crimes of violence against a current or former spouse or intimate partner; a person with whom the individual shares a child in common; a person with whom the individual cohabitates or has cohabitated as a spouse or intimate partner; a person similarly situated to the individual as a spouse under local domestic laws; or any other person who is protected under local domestic laws of the jurisdiction.
- F. Education Program or Activity** – for purposes of these Procedures, this means any locations, events, or circumstances over which the College exercised substantial control over both the Respondent(s) and the context in which the alleged sexual harassment occurs. It also means any building owned or controlled by a student organization that is officially recognized by the College.
- G. Formal Complaint** – a document filed by a Complainant or signed by the Title IX Coordinator alleging sexual harassment against a Respondent and requesting the College investigate the allegation(s). A Formal Complaint initiates a formal grievance process in which parties are entitled to due process protections.
- H. Informal Resolution** – a resolution reached regarding an allegation of sexual harassment without the filing of a Formal Complaint. Informal Resolution may include mediation, facilitated dialogue, conflict coaching, restorative justice, or other models of alternative dispute resolution. Informal Resolution cannot be used for a student's allegation of sexual harassment against a College employee.
- I. Respondent** – an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.
- J. Retaliation** – to intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or because the individual has made a report or complaint, testified, assisted, participated, or refused to participate in any manner in an investigation, proceeding, or hearing under these Procedures.
- K. Sexual Assault** – an offense that meets the definition of rape, fondling, incest, or statutory rape as used in the FBI's Uniform Crime Reporting system.
- L. Sexual Harassment** – *quid pro quo* harassment; unwelcome conduct that a reasonable person would find so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the College's education program or activity, including conduct based on sex stereotyping; or any instance of sexual assault, dating violence, domestic violence, or stalking.

Quid pro quo harassment is a person having power or authority over another and conditioning an educational or employment benefit or service or access to receiving the educational or employment benefit or service upon a person's participation in unwelcome sexual conduct.

- M. Stalking** – engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his/her safety or the safety of others or suffer substantial emotional distress.
- N. Standard of Evidence** – the College uses preponderance of the evidence as to the standard for proof of whether a violation of this policy has occurred. In the student, due process hearing and employee grievance process, legal terms like "guilt," "innocence," and "burden of proof" are not applicable. Student and employee due process hearings are conducted to take into account the totality of all evidence available from all relevant sources. The College will find the Respondent either "responsible" or "not responsible" for violating these Procedures.
- O. Supportive Measures** – individualized services reasonably available that are non-punitive, non-disciplinary, and not unreasonably burdensome to the other party that is designed to ensure equal educational access, protect the safety, or deter sexual harassment. Examples of support measures are counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, leaves of absences, increased security, and monitoring of certain areas of the College, and other similar measures.
- P. Title IX Coordinator** – for purposes of these Procedures, the Title IX Coordinator refers to the Vice President of Student Services. The Title IX, Coordinator's office, is in the 1500 (Hemlock) Building. The phone number is 828-565-4220, and the email is mwcoleman@haywood.edu.

II. SCOPE AND APPLICABILITY

- A. These Procedures apply to the conduct of and protect:**
 - 1. College students and applicants for admission into the College
 - 2. College employees and applicants for employment
 - 3. College student organizations
 - 4. Third parties participating in a College education program or activity
- B. These Procedures apply to conduct that occurs in a College Education Program or Activity located within the United States and of which the College has actual knowledge.**

III. REPORTING

A. Reporting to Local Law Enforcement

Individuals may report sexual harassment directly to local law enforcement agencies by dialing 911. Individuals who make a criminal allegation may also choose to pursue the College's grievance procedure simultaneously. A criminal investigation into the matter does not release the College from its obligation to conduct its own investigation (nor is a criminal investigation determinative of whether sexual harassment has occurred). However, the College's investigation may be delayed temporarily while the criminal investigators are gathering evidence. In the event of such a delay, the College must make available supportive measures when necessary to protect the alleged Complainant and/or the College community.

Individuals may choose not to report alleged sexual harassment to law enforcement authorities. The College respects and supports individuals' decisions regarding reporting; nevertheless, the College may notify appropriate law enforcement authorities if legally required or warranted by the nature of the allegations.

B. Reporting to College Officials

The College's Title IX Coordinator oversees compliance with these Procedures and Title IX regulations. Questions about these Procedures should be directed to the Title IX Coordinator. Anyone wishing to make a report relating to sexual harassment may do so by reporting the concern to the College's Title IX Coordinator in person, by mail, by telephone, by email, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report of alleged sexual harassment.

IV. GRIEVANCE PROCEDURES

A. Scope

1. The use of these grievance procedures applies to reports alleging sexual harassment carried out by employees, students, or third parties.
2. All reports of sexual harassment are taken seriously. At the same time, those accused of sexual harassment are presumed "not responsible" throughout this grievance procedure.

B. Initial College Response and Assessment

1. After receiving a report of sexual harassment, the Title IX Coordinator takes immediate and appropriate steps to:
 - a. Communicate with the individual who reported the alleged conduct;
 - b. Implement supportive measures to eliminate and prevent the recurrence of sex harassment, deter retaliation, remedy the effects of sexual harassment, and provide due process rights during a College investigation;

- c. Provide the individual with a copy of this Policy and Procedure; and
 - d. Determine whether the alleged conduct, as described by the reporting party, falls within the scope of this policy and, if so, initiate the investigation and resolution procedures outlined below.
 - e. The Title IX Coordinator may delegate the authority to take some or all of these steps to a Deputy Title IX Coordinator.
2. The Title IX Coordinator must administratively close a report or complaint of sexual harassment if after an initial assessment:
 - a. The allegations as stated do not constitute a violation of this Policy and Procedure, even if proven; or
 - b. The alleged sexual harassment did not occur in the College's Education Program or Activity or did not occur in the United States.
 - c. The Title IX Coordinator will notify the parties if a report or complaint of sexual harassment is closed under this section, including the reason(s) for closure, and direct the parties to the appropriate College office or department to resolve the report or complaint. All parties may appeal the Title IX Coordinator's dismissal of a Formal Complaint under this section by using the appeal procedures in Section VI, below.
 3. The Title IX Coordinator may administratively close a report or complaint of sexual harassment if:
 - a. The Complainant, at any time, requests withdrawal of the report or complaint;
 - b. The Respondent is no longer enrolled or employed by the College; or
 - c. The College is prevented from gathering evidence sufficient to reach a determination of responsibility.
 - d. The Title IX Coordinator will notify the parties if a report or complaint of sexual harassment is closed under this section, including the reason(s) for closure, and direct the parties to the appropriate College office or department to resolve the report or complaint. All parties may appeal the Title IX Coordinator's dismissal of a Formal Complaint under this section by using the appeal procedures in Section VI, below.
 4. Regardless of when alleged sexual harassment is reported, a Complainant must be participating in or attempting to participate in the College's education program or activity for a Formal Complaint to be filed.

C. Informal Resolution

1. Any party may request the College facilitate an informal resolution to a sexual harassment complaint at any time after the filing of a Formal Complaint. The Title IX Coordinator may offer the parties the opportunity for informal Resolution, too.
 - a. Upon a request for informal Resolution, the Title IX Coordinator determines whether informal Resolution is appropriate based on the facts and circumstances of the case. The Title IX Coordinator ensures that any proposed informal resolution is consistent with the College's obligations to prevent and redress sexual harassment.
 - b. A student's allegations of sexual harassment against a College employee are not eligible for informal Resolution.
 - c. The Title IX Coordinator provides the parties with written notice of proceeding with an informal resolution, including the allegations of sexual harassment, the requirements of the informal resolution process, and potential outcomes resulting from participating in the informal resolution process.
 - d. The Title IX Coordinator also designates an independent, neutral person to facilitate the informal Resolution.
2. Informal Resolution is voluntary.
 - a. The Complainant and Respondent must provide written consent for informal Resolution to take place.
 - b. Any party has a right to end the informal resolution process at any time prior to agreeing to a resolution and begin or continue the formal investigation and grievance process.
3. Informal Resolution concludes the matter only when all parties have signed a written agreement that confirms the Resolution of the allegations.
 - a. The resolution agreement must include a waiver of the parties' right to have a formal hearing on the allegations that have been informally resolved.
 - b. Parties are prohibited from revoking or appealing a resolution agreement. Should the Respondent violate the terms of an informal resolution agreement, such violation will subject the Respondent to an investigation and the formal grievance process contained in this Procedure.
4. If a resolution agreement is not reached, the College will continue with a formal investigation.

D. Investigations

1. The goal of a formal investigation is to reach a determination as to whether a Respondent has violated one or more College policies prohibiting sexual harassment and, if so, remedy the effects of a violation.
 - a. The Title IX Coordinator may include possible violations of other College policies that contributed to, arose from, or are otherwise related to alleged violations of this Policy and Procedure in the scope of an investigation.
 - b. The Title IX Coordinator gives written notice to the Complainant and Respondent of the investigation, providing sufficient details to allow the parties to respond and prepare for initial interviews, including the identity of the parties involved (if known), the conduct alleged to be sexual harassment, the date, and location of alleged incidents (if known), a statement that the Respondent is presumed not responsible. A determination of responsibility is made at the conclusion of the process, information regarding the parties' right to an advisor, and the right to review the evidence and notice that the College prohibits knowingly making false statements or submitting false information during the grievance process.
 - c. The Title IX Coordinator designates an investigator to investigate the allegations of sexual harassment.
2. Parties to an investigation can expect a prompt, thorough, and equitable investigation of complaints, including the opportunity for parties to ask questions, present witnesses, and provide information regarding the allegations.
3. Parties and witnesses should cooperate in the investigation process to the extent required by law and this policy.
4. The standard of proof used in investigations is preponderance of the evidence. It is the College's responsibility to establish the standard of proof and gather evidence during investigations.
5. The College aims to bring all investigations to a resolution within thirty (30) business days from the date the Title IX Coordinator determines an investigation will commence.
 - a. Extensions of the timeframe for good cause are allowed, so long as written notice and the reason for the delay is provided to the parties. Good cause includes:
 - i. The complexity and/or number of the allegations;
 - ii. The severity and extent of the alleged misconduct;
 - iii. The number of parties, witnesses, and other types of evidence involved;
 - iv. The availability of the parties, witnesses, and evidence;

- v. A request by a party to delay an investigation;
 - vi. The effect of a concurrent criminal investigation or proceeding;
 - vii. Intervening holidays, College breaks, or other closures;
 - viii. Good faith efforts to reach a resolution; or
 - ix. Other unforeseen circumstances.
- b. Investigations typically include interviews with the Complainant, the Respondent, and any witnesses, and the objective evaluation of any physical, documentary, or other evidence as appropriate and available. The College will give the Complainant and the Respondent written notice of any interview, meeting, or hearing at which a party is invited or expected to participate.
 - c. The Title IX Coordinator will inform the Complainant and Respondent at regular intervals of the status of its investigation.
 - d. The College may suspend or place on administrative leave a student or employee, pending the completion of an investigation and Resolution, when the College performs an individualized safety and risk analysis and determines the person poses an immediate threat to the physical health or safety of any member(s) of the College community.
 - i. The Title IX Coordinator may recommend to the appropriate College official to implement or stay an interim suspension of a student or employee and the conditions and duration of such suspension or leave.
 - ii. In all cases in which an interim suspension or administrative leave is imposed, the student or employee shall be given notice and an opportunity to challenge the removal decision immediately following the removal.
 - iii. Violation of an interim suspension under this Procedure is grounds for expulsion or termination.
- 6. Interviews conducted as part of an investigation under this Procedure may be recorded by the College. Recordings not authorized by the College are prohibited.
 - 7. The Complainant and Respondent have the right to be accompanied by an advisor of their choosing during all stages of an investigation.
 - a. A party may elect to change advisors during the process.
 - b. All advisors are subject to the same rules:
 - i. During the investigation, the advisor's role is limited to providing advice, guidance, and support to the Complainant or Respondent. An advisor is not permitted to act as a participant or advocate during the investigative process.
 - ii. Advisors are expected to maintain the privacy of the records shared with them.

- iii. Advisors are expected to refrain from interfering with investigations.
 - iv. Any advisor who oversteps their role or interferes during an investigation process will be warned once. If the advisor continues to disrupt or otherwise fails to respect the limits of the advisor role, the advisor will be asked to leave. The Title IX Coordinator determines whether the advisor may return or should be replaced by a different advisor.
- 8. Prior to finalizing a report, the investigator provides all parties an equal opportunity to review any evidence obtained as part of the investigation that is directly related to the allegations raised in the Formal Complaint, including the evidence upon which the College does not intend to rely.
 - a. The Complainant and Respondent may submit a written response to the evidence within ten days after receipt of the evidence.
 - i. Responses must be submitted to the investigator via email, mail, or hand delivery by 5:00 p.m. eastern standard time on the date responses are due.
 - ii. Responses may not exceed ten double-spaced pages on 8.5x11 paper with one-inch margins and 12-point font.
 - b. The investigator considers any responses received from the parties and conducts any further investigation necessary or appropriate.
- 9. Following an investigation and at least ten days prior to a grievance hearing, the investigator submits an investigative report to the parties that fairly summarizes relevant evidence. The report includes a summary of the allegations, a summary of the response; a summary of the investigative steps taken to verify the allegations and response; and a summary of the evidence relevant to a determination of responsibility.

V. GRIEVANCE HEARINGS

At least ten days after the issuance of an investigation report, the College must hold a live hearing in front of a decision-maker to determine the responsibility of a Respondent. The decision-maker may not be the Title IX Coordinator or the investigator(s). A "live hearing" means either in person or virtually. The following hearing rules apply:

- A. All parties must be able to see and hear the questioning of parties and witnesses.
- B. Any party may request a virtual hearing. If requested, the College will provide a virtual hearing.
- C. All parties have an equal opportunity to present witnesses, including fact and expert witnesses.
- D. The parties' advisors are permitted to cross-examine the parties and any witnesses.
 - 1. The parties are prohibited from directly conducting cross-examination.

Cross-examination must be conducted by a party's advisor.

2. The decision-maker determines whether questions asked during cross-examination are relevant to the determination of responsibility. If the decision-maker disallows a question, they will explain the basis for their decision at the hearing. Parties and advisors may not challenge a decision-maker's relevancy determinations during the hearing.
 3. Evidence or questions that inquire about the Complainant's sexual predisposition or prior sexual history are prohibited (i.e., rape-shield protections) unless such questions and evidence are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.
 4. The decision-maker may not consider statements of individuals who do not submit to cross-examination in reaching a determination of responsibility
 5. Records with a legally recognized privilege, such as medical treatment records, may not be used unless the individual or entity who holds the privilege waives the privilege. Any waiver must be written and made in advance of a hearing.
 6. If a party does not have an advisor, the College will provide an advisor at no cost to the party. The advisor may, or may not, be an attorney.
 7. Other standard Rules of Evidence do not apply in grievance hearings under these Procedures.
- E. The College will provide either an audio recording, audiovisual recording, or transcript of the hearing to all parties.
- F. The decision-maker evaluates all relevant evidence and reaches a determination regarding responsibility. The decision-maker issues their final written determination to all parties within ten (10) days of the hearing. The final written determination includes a summary of the allegations; a description of the procedural steps taken by the College to investigate and reach a determination of responsibility; findings of fact supporting the determination; conclusions regarding the application of College policies to the facts; a statement of and rationale for the result as to each allegation, including a determination of responsibility; any disciplinary sanctions the College recommends or imposes; whether remedies designed to restore or preserve equal access to an education program or activity will be provided to the Complainant; and the College's appeal procedures.
- G. The following sanctions may be imposed for those who have violated these Procedures:
1. Students
 - a. Verbal or Written Warning

- b. Probation
- c. Administrative withdrawal from a course without refund
- d. Required Counseling
- e. No Contact Directive
- f. Suspension
- g. Recommendation of Expulsion
- h. Other consequences deemed appropriate

2. Employees

- a. Verbal or Written Warning
- b. Performance Improvement Plan
- c. Required Counseling
- d. Required Training or Education
- e. Recommendation of Demotion
- f. Recommendation to Suspend with or without Pay
- g. Recommendation of Dismissal
- h. Other consequences deemed appropriate to the specific violation

If the decision-maker is required to make a recommendation for student expulsion or employee suspension, demotion, or dismissal, such recommendation will be made to the appropriate College official after the time for appeal has expired. If the decision-maker recommends the Respondent be expelled, suspended, demoted, or dismissed, during the time in which either party has to appeal, the Respondent shall remain on suspension unless otherwise determined by the decision-maker.

VI. APPEALS

After the decision-maker submits their determination of responsibility to the Complainant and Respondent, all parties are given an equal opportunity to appeal the determination. Appeals may be based only on these grounds:

- A. Procedural irregularity that affected the outcome;
- B. New evidence that was not reasonably available at the time of the hearing that could affect the outcome; and/or
- C. The Title IX Coordinator, investigator, or decision-maker had a bias or conflict of interest that affected the outcome.

Parties must submit any appeal to the President of the College by 5:00 p.m. eastern standard time via email or mail, within ten (10) days of receiving the decision-maker's written determination of responsibility. Appeals may not exceed ten (10) double-spaced pages on 8.5x11 paper with one-inch margins and 12-point font.

The College notifies all parties when an appeal is filed and provides all parties a copy of the appeal and a chance to submit a written statement supporting or challenging the outcome. Parties must submit written statements supporting or challenging the outcome to the President of the College by 5:00 p.m. eastern standard time via email or mail, within two (2) days of receiving a copy of an appeal.

The President shall conduct a review of the record, including the appeal(s) received any written statements supporting or challenging the outcome, the investigation report, the

decision-maker's written determination of responsibility, and any accompanying evidence prior to issuing a written decision to the Complainant and Respondent that describes the result of the appeal and the rationale for the result.

The President's written decision is final.

VII. PROTECTION AGAINST RETALIATION

The College will not in any way retaliate against an individual for the purpose of interfering with any right or privilege secured by Title IX or because the individual has made a report or complaint, testified, assisted, participated, or refused to participate in any manner in an investigation, proceeding, or hearing under these Procedures.

Retaliation is a violation of College policy regardless of whether the underlying allegations are ultimately found to have merit. Reports of retaliation are treated separately from reports or complaints of sexual harassment.

VIII. PROVIDING FALSE INFORMATION

Any individual who knowingly files a false report or complaint, who knowingly provides false information to College officials or who knowingly misleads College officials involved in the investigation or Resolution of a complaint may be subject to disciplinary action, including but not limited to expulsion or employment termination. The College recognizes a determination regarding responsibility alone is not sufficient to conclude a false report or complaint was made.

IX. LIMITED IMMUNITY

The College community encourages the reporting of misconduct and crimes. Sometimes, complainants or witnesses are hesitant to report to College officials or participate in resolution processes because they fear they themselves may be accused of various policy violations. It is in the best interest of this College that as many complainants as possible choose to report to College officials and that witnesses come forward to share what they know. To encourage reporting, the College offers sexual harassment complainants and witnesses amnesty from minor policy violations.

X. FERPA (Family Educational Rights and Privacy Act)

A student's personally identifiable information found in a student's education records will be shared only with College employees who need to know to assist with the College's response to sexual harassment.

A student's personally identifiable information found in a student's education records will not be disclosed to third parties unaffiliated with the College unless:

- A. The student gives consent;
- B. The College must respond to a lawfully issued subpoena or court order; or
- C. The College is otherwise required by law to disclose.

XI. SUSPENDING PROCEDURES

In cases of emergency or serious misconduct, the College reserves the right to suspend this process and may enact appropriate action for the welfare and safety of the College community.

XII. STUDENT AND EMPLOYEE EDUCATION AND ANNUAL TRAINING

The Title IX Coordinator, investigators, decision-makers, and those involved in any informal resolution process shall receive annual trainings on topics including:

- A. The definition of sexual harassment for Title IX purposes;
- B. The scope of the College's educational programs and activities under Title IX;
- C. How to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes;
- D. How to serve impartially, including avoiding prejudgment of facts at issue, conflicts of interest, and bias;
- E. Technology to be used at live hearings;
- F. Issues of the relevance of questions and evidence, including rape-shield limitations; and
- G. Issues of relevance to create an investigative report that fairly summarizes relevant evidence.

All training materials are posted on the College's website.

All new students and all employees shall be required to participate in a primary prevention and awareness program that promotes awareness of sexual harassment. This program will be held annually at the beginning of each fall semester.

At this annual training, students and employees must receive training in the following areas:

- A. Information about safe and positive options for bystander intervention skills;
- B. What "consent" means with reference to sexual activities;
- C. Risk reduction programs so students recognize and can avoid abusive behaviors or potential attacks;
- D. How and to whom to report an incident regarding discrimination, harassment, and sex-based violence;
- E. The importance of preserving physical evidence in a sex-based violent crime; and
- F. Options about the involvement of law enforcement and campus authorities, including the alleged victim's option to: i) notify law enforcement; ii) be assisted by campus authorities in notifying law enforcement; iii) decline to notify law enforcement; and iv) obtain "no-contact" or restraining orders.

Each year, all students and employees will receive an electronic copy of these Procedures sent to their College email address of record. These Procedures will be maintained online on the College's website, and a hard copy will be kept on file (in English and Spanish) in the Title IX Coordinator's office. Other translations will be made available upon request.

XIII. RECORDKEEPING

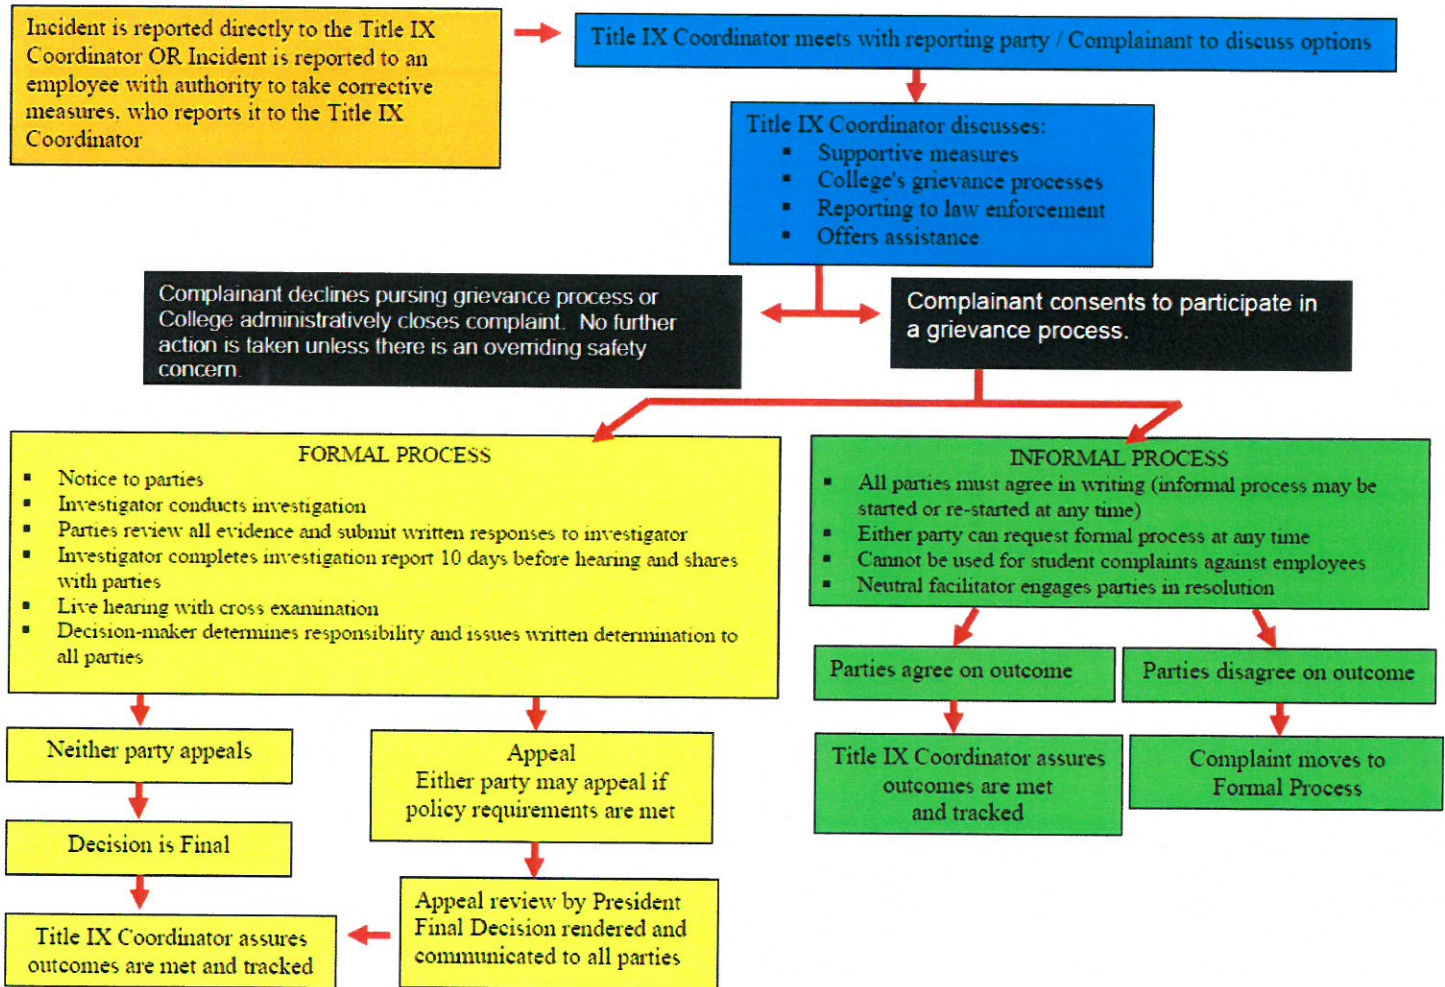

The College maintains all records of Title IX proceedings and all materials used to train

Title IX personnel for seven years.

---	---	---

The College is committed to providing each of its students a drug and alcohol free environment in which to attend classes and study. From a safety perspective, the users of drugs or alcohol may impair the well-being of students, interfere with the College's educational environment and result in damage to College property.

All students shall adhere to the following:

- A. All students are prohibited from unlawfully possessing, using, being under the influence of, manufacturing, dispensing, selling or distributing alcohol, illegal or unauthorized controlled substances or impairing substances at any College location.
 1. *Controlled Substance* means any substance listed in 21 CFR Part 1308 and other federal regulations, as well as those listed in Article V, Chapter 90 of the North Carolina General Statutes. Generally, the term means any drug which has a high potential for abuse and includes, but is not limited to heroin, marijuana, cocaine, PCP, GHB, methamphetamines, and crack. This term also includes any drugs that are illegal under federal, state or local laws and legal drugs that have been obtained illegally or without a prescription by a licensed healthcare provider or are not intended for human consumption.
 2. *Alcohol* means any beverage containing at least one-half of one percent (0.5%) alcohol by volume, including malt beverages, unfortified wine, fortified wine, spirituous liquor and mixed beverages.
 3. *Impairing Substances* means any substance taken that may cause impairment, including but not limited to bath salts, inhalants, or synthetic herbs.
 4. *College Location* means in any College building or on any College premises; in any College-owned vehicle or in any other College-approved vehicle used to transport students to and from College or College activities; and off College property at any College-sponsored or College-approved activity, event or function, such as a field trip or athletic event, where students are under the College's jurisdiction.
 5. *Reasonable Suspicion* is the legal standard required before the College can require a student to take a drug or alcohol test. Some of the factors that constitute reasonable suspicion are: a) direct observation of drug use or possession; b) direct observation of the physical symptoms of being under the influence of drugs; c) impairment of motor functions; d) pattern of abnormal or erratic conduct or behavior; or e) reports from reliable sources

or credible sources (anonymous tips may only be considered if they can be independently corroborated).

- B. Student use of drugs as prescribed by a licensed physician is not a violation of Policy; however, individuals shall be held strictly accountable for their behavior while under the influence of prescribed drugs.
- C. Students may be required to be tested for substances, including controlled substances or alcohol, based on individualized, reasonable suspicion. The required observations for reasonable suspicion testing shall be made by an administrator, supervisor or other trained official and the person who makes the determination that reasonable suspicion exists shall not be the same person who conducts the test. This section does not apply to law enforcement officers serving the College through the local sheriff's department. Law enforcement officers must adhere to their normal standards when conducting a search.
- D. The College does not differentiate between drug users, drug pushers or sellers. Any student in violation of Section A herein will be subject to disciplinary action up to and including termination or expulsion and referral for prosecution.
- E. A student who violates the terms of this Policy will be subject to disciplinary action in accordance with Policy 5.3.2 – Standards of Student Conduct. At his/her discretion, the Vice President of Student Services may require any student who violates the terms of this Policy to satisfactorily participate in a drug abuse rehabilitation program or an alcoholic rehabilitation program sponsored by an approved private or governmental institution as a precondition of continued enrollment at the College.
- F. Each student is required to inform the College, in writing, within five (5) days after he/she is convicted for violation of any federal, state, or local criminal drug statute or alcoholic beverage control statute where such violation occurred while on or at a College location. HAYWOOD COMMUNITY COLLEGE	STUDENT SERVICES STUDENT GRIEVANCE	Policy 5.3.6
--------------------------------------	---	-------------------------

I. GRIEVANCE PROCESS OVERVIEW

In order to maintain a harmonious and cooperative environment between and among the College and its students, the College provides for the settlement of problems and differences through an orderly grievance procedure. Every student shall have the right to present his/her problems or grievances free from coercion, restraint, discrimination or reprisal. This Policy provides for prompt and orderly consideration and determination of student problems and grievances by College administrators and ultimately the President.

A grievance is any matter of student concern or dissatisfaction with the College's control except: (a) student discipline matters regarding academic and non-academic violations (Policy 5.3.2 – Student Conduct); (b) discrimination and unlawful harassment, including sexual harassment and sexual violence (Policy 5.3.4 – Discrimination and Unlawful Harassment); (c) a grade appeal (Policy 5.3.7 – Grade Appeal); or (d) any other matter that has a specific grievance process outlined in that policy or procedure.

II. GRIEVANCE PROCESS

1. Informal Grievance – Step One

In the event the alleged grievance lies with an instructor/staff member, the student must first go to that instructor/staff member and attempt to informally resolve the matter. Both the student and instructor/staff member must have an informal conference to discuss the situation and document the attempts taken to resolve the grievance at this level. In the event the student is unsatisfied with the resolution reached at the informal conference, he/she may proceed to Step Two within five (5) business days after the informal conference. Not proceeding to Step Two within the time-period will result in the grievance not being heard and the matter being closed.

If the grievance concerns issues unrelated to a particular instructor/staff member (for example, an issue with College policy), the student can skip the informal process and proceed to Step Two.

2. Formal Grievance – Step Two

If the grievance is not resolved at Step One (or, given the nature of the grievance, Step Two begins the process) the student may file a written grievance with the Vice President for Student Services (“Vice President”). The written grievance must contain, with specificity, the facts supporting the grievance and the attempt, if applicable, to resolve the grievance at the information level.

The Vice President (or, depending on the nature of the grievance, another appropriate Vice President) shall review the written grievance and conduct whatever further investigation, if any, is necessary to determine any additional facts that are needed to resolve the grievance. The Vice President shall provide his/her written decision within ten (10) business days after receipt of the grievance.

In the event the student is unsatisfied with the resolution reached by the Vice President, he/she may proceed to Step Three within five (5) business days after receipt of the Vice President's written determination. Not proceeding to Step Three within the time-period will result in the grievance not being heard and the matter being closed.

3. Appeal – Step Three

If the student is not satisfied with the Vice President's determination, the student may appeal to the President. The appeal must be in writing, must provide a written summary of the specific facts and must contain any other documentation pertinent to the matter. The President will conduct an "on the record" review and conduct any further investigation that is necessary to ascertain the facts needed to make a determination. The President may, at his/her discretion, establish a committee to further investigate the matter and make a recommendation to the President.

At the conclusion of the investigation and not later than fifteen (15) business days after receipt of the student's appeal, the President shall provide a written decision to the student.

The President's decision is final.

HAYWOOD COMMUNITY COLLEGE	STUDENT SERVICES STUDENT RIGHT TO KNOW ACT	Policy 5.4.1
------------------------------	--	-----------------

Pursuant to the Student Right to Know and Campus Security Act (the “Act”), the College is required to publicly disclose relevant graduation and transfer rate information for its students. The Act is a consumer information report designed for public access to relevant graduation and transfer information to enable students to make informed decisions regarding their college choice. The College makes available to currently enrolled as well as prospective students the graduation and transfer rate for the most recent cohort of entering students based on a one year reporting period.

The Acts’ report is a cohort based study. The cohort is made up of students who enrolled as first-time college students who attended full-time (i.e., twelve [12] or more hours) and had declared themselves as degree seeking. The graduation and transfer rate for the cohort is calculated one year after the cohort's initial date of enrollment. These numbers can be misleading because many community college students attend part-time. Those students are not included in this report. Moreover, students with academic goals other than transfer or degree seeking students are not included in this report. Also not included with the report are those students who leave school to serve in the armed services, an official church mission or with a recognized foreign aid service of the Federal government.

The report is updated annually and is available in the Director of Enrollment Management’s Office.

B. *Clery Act Crimes* are the following crimes that must be reported by Campus Security Authorities to law enforcement and crimes that are listed in the College's Annual Security Report:

1. Murder/non-negligent manslaughter; negligent manslaughter; sex offenses (forcible and non-forcible); domestic and dating violence; stalking; robbery; aggravated assault; burglary; motor vehicle theft; and arson;

2. Off-Campus and Affiliated Property – Any building or property owned or controlled by a student organization that is officially recognized by the College; or any building or property owned or controlled by the College that is used in direct support of, or in relation to, the College’s educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the College.
3. Public Property – All thoroughfares, streets, sidewalks, and parking facilities that are within the campus, or immediately adjacent to and accessible from the campus.

III. SAFETY AND REPORTING PROCEDURES

The College encourages all members of the College community to report suspicious or criminal activity to law enforcement as soon as possible. Crimes may be reported anonymously. In the event of a crime in progress or at any time there is a risk of harm to persons or property, call 911.

In addition, CSAs have a legal obligation to file a report of suspected criminal activity with law enforcement and with the Vice President of Student Service’s Office to ensure statistical inclusion of all Clery Act Crimes in the College’s Annual Security Report when those crimes occur on or near College Property. Any individual identified by the College as a CSA shall receive notification of that designation and the requirement that the individual report information about Clery Act Crimes. Training will also be provided to all so designated persons. While CSAs must report any Clery Act Crime that comes to their attention, at the request of the victim, the victim’s identity may remain anonymous.

To promote safety and security at the College, and in compliance with the Clery Act, the College shall:

- A. Submit crime statistics to the United States Department of Education;
- B. Maintain a daily crime log (open to public inspection);
- C. Issue campus alerts to timely warn the College community when there is information that a Clery Act Crime has occurred that represents a serious or ongoing threat to campus safety;
- D. Issue emergency notifications upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus. The College tests the emergency notification procedure bi-annually.
- E. Publishes and maintains an Annual Security Report containing safety and security related policy statements and statistics of Clery Act Crimes occurring on College Property. To prepare the Annual Security Report, the College collects, classifies and counts crime reports and crime statistics. The Annual Security Report is available on the College's website and hard copies are available through the Office of Student Services for inspection.

HAYWOOD COMMUNITY COLLEGE	ADMINISTRATIVE SERVICE ANIMALS AND OTHER ANIMALS ON CAMPUS	Policy 5.4.5
------------------------------	--	--------------

I. OVERVIEW

In accordance with Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990 and other applicable federal and state law, the College may be required to accommodate an otherwise qualified individual with a disability by making a reasonable modification in its services, programs or activities. This Policy addresses the use of Service Animals and other animals on campus by qualified individuals with disabilities or individuals authorized to provide training.

II. DEFINITIONS

- A. **Emotional Support Animal** – an animal selected or prescribed to an individual with a disability by a healthcare or mental health professional to play a significant part in a person's treatment process (e.g., in alleviating the symptoms of that individual's disability). An emotional support animal does not assist a person with a disability with activities of daily living and does not accompany a person with a disability at all times. An emotional support animal is not a "Service Animal".
- B. **Service Animal** – an animal that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a Service Animal must be directly related to the handler's disability. Examples of work or tasks include, but are not limited to, assisting individuals who are blind or have low vision with navigation and other tasks, alerting individuals who are deaf or hard of hearing to the presence of people or sounds, providing nonviolent protection or rescue work, pulling a wheelchair, assisting an individual during a seizure, alerting individuals to the presence of allergens, retrieving items such as medicine or the telephone, providing physical support and assistance with balance and stability to individuals with mobility disabilities, and helping persons with psychiatric and neurological disabilities by preventing or interrupting impulsive or destructive behaviors. Service Animals may or may not have been licensed by a state or local government or a private agency. Service Animals are limited to service dogs and, in some cases, miniature horses.
- C. **Pets** – any animal that is not an Emotional Support Animal or a Service Animal.

III. ANIMALS ON CAMPUS

Pets are not permitted within buildings and may not be left in vehicles on College property. There are occasions when a student or employee may need to bring an animal onto campus for the purpose of meeting an educational objective. Such requests should be made to the appropriate academic Dean prior to the animal being allowed onto campus. Subject to the

rules set forth in section IV and V below, Emotional Support Animals and Service Animals are permitted in any area of campus where employees or students are permitted, with a few exceptions for health and safety reasons.

IV. PROCEDURES REGARDING SERVICE ANIMALS AND EMOTIONAL SUPPORT ANIMALS.

A. Responsibilities of the Service/Emotional Support Animal Owner/Handler

1. Registration

a. Service Animals

Students and employees are not required to register Service Animals. However, they are encouraged to notify the Disability Services Office (students) or the Office of Human Resources (employees) if they intend to use a Service Animal on campus so that appropriate College officials are aware of the animal's presence and to assist with the Service Animal's access to areas within the College's campus. Visitors with Service Animals are not required to register their animals.

b. Emotional Support Animals

Students or College employees who wish to have an Emotional Support Animal on campus must first bring appropriate documentation from a physician or mental health professional to support having an Emotional Support Animal as a result of their disability, to the Disability Services Office (students) or the Office of Human Resources (employees) to determine if their Emotional Support Animal is allowed on campus. This determination will be decided on a case-by-case basis (see Section B.2). If the Emotional Support Animal is accepted on campus, the student or employee will be required to register the animal and follow the accommodations given by the appropriate staff person.

2. Care and Supervision

- a. The care and supervision of a Service/Emotional Support Animal is the responsibility of the animal's owner and/or handler. The handler must ensure the animal is in good health and has been inoculated and licensed in accordance with local regulations with the burden of proving licensure and inoculation on the person with a disability. Dogs must wear a rabies tag at all times.

- b. The Service/Emotional Support Animal (or any other animal on campus) must be under the control of the handler at all times and may not be left alone. All animals on campus must be restrained by a leash or other appropriate device that does not exceed six (6) feet in length. In situations where a leash or other device interferes with a Service Animal's ability to perform its task or service, the Service Animal must remain under control of the handler at all times.
- c. The owner and handler of any Service Animal, Emotional Support Animal, or Pet is responsible for any damage of personal property or any injuries to an individual caused by the animal.
- d. The handler must ensure the animal is "housebroken" and trained and must clean up and remove all animal waste created by the animal.
- e. A Service Animal, Emotional Support Animal, or Pet may not disrupt the operation of the College or any class.

B. Responsibilities of the College Community

1. Service Animals

If the need for a Service Animal is obvious, College officials may not question the presence of the animal on campus. If the need for a Service Animal is not obvious, College officials are permitted to ask the handler two questions:

- a. Is the animal required because of a disability?
- b. What work or task(s) has the animal been individually trained to perform?

At no time may a College official require a Service Animal to demonstrate the tasks for which they have been trained nor may they inquire as to the nature of the individual's disability.

If another person on campus has a covered disability under the ADA and it includes an allergic reaction to animals and that person has contact with a Service Animal, a request for accommodation should be made by the individual to the Director of Human Resources (if an employee) or the Disability Services Office (if a student). All facts surrounding the concern will be considered in an effort to resolve the concern and provide reasonable accommodation for both individuals.

2. Emotional Support Animals

The determination of whether a student or employee with a disability is allowed to have an Emotional Support Animal on campus shall be made on a case-by-case basis. Students and employees may request, as a reasonable accommodation for a disability, the need to have an Emotional Support Animal on campus, provided they have documentation from a physician or mental health professional. The College is not required to grant reasonable accommodations that would result in a fundamental alteration of a program or would constitute an undue burden. Any requests for a reasonable accommodation for an Emotional Support Animal shall be directed to the Disability Service Office (students) or the Office of Human Resources (employees).

In determining request for accommodations for an Emotional Support Animal, the consideration is:

- a) Does the person have a disability (i.e. a physical or mental impairment that substantially limits one or more major life activities) with supporting recent documentation from a physician or mental health professional describing the need for an Emotional Support Animal?
- b) Does the Emotional Support Animal perform tasks or services for the benefit of the person or provide emotional support that alleviates one or more of the identified symptoms or effects of the person's existing disability?
- c) Is the request an undue burden on the College or does it fundamentally alter a College program?

C. Removal of Service Animals, Emotional Support Animals, or Pets

The College has the authority to remove a Service/Emotional Support Animal (or any other animal) from its facilities or properties if the animal becomes unruly or disruptive, unclean and/or unhealthy, and to the extent that the animal's behavior or condition poses a direct threat to the health or safety of others or otherwise causes a fundamental alteration in the College's services, programs, or activities.

It is a Class 3 misdemeanor "to disguise an animal as a service animal or service animal in training". N.C.G.S. § 168-4.5. In other words, it is a crime under North Carolina law to attempt to obtain access for an animal under the false pretense that it is a Service Animal.

Additionally, any employee or student who violates any portion of this procedure is subject to disciplinary action.

SEX OFFENDER REGISTRATION

North Carolina now has a Sex Offender Registration for anyone sentenced or convicted of a sexual offense and released after January 1st, 1996. There is a public list of Sex Offenders registered in Haywood County located in the Sheriff's Office.

If you are a Sex Offender who moves into Haywood County from another county or from out of state or was convicted and released after January 1st, 1996, you must register at the Haywood County Sheriff's Office within three days.

You must also notify the Sheriff's Office of any address changes. Failure to do either will result in you being charged with a criminal offense.

Anyone who lies for a sex offender about his or her whereabouts or fails to report someone in violation of the sex offender registry can also be charged with a felony.

Sex offenders are listed by the State of North Carolina on the Internet at :
NC Sex Offenders and a listing is also kept at the Sheriff's Office for review on request.
Offenses of registered sex offenders are public information by legislative mandate. Any

changes to employment, academic status, address, etc. must be done in person. There are residential restrictions that apply to persons that establish residences within 1,000 feet of a public or private school or childcare center after December 1, 2006. To view these and other applicable changes, go to NC House Bills

In 2013 there are a total of 89 registered sex offenders living in Haywood County.

CHILD ABUSE TASK FORCE

The Haywood County Office of the Sheriff has two investigators who work full time on child abuse cases. If you know of a child being abused physically or sexually, contact the Task Force at 452-3088.

DOMESTIC VIOLENCE TASK FORCE

We currently have one full-time officer, Deputy Kevin Smathers and one full-time victim's advocate, Suzie Pressley who specialize in domestic violence and sexual assault cases. If you are a victim of domestic violence or sexual assault or know someone who is, contact the Domestic Violence Task Force at 452-6672 for more information.

If you are being threatened or assaulted by a person you have been married to or with whom you have had a relationship, you may be able to obtain a Domestic Violence Protective Order. The Domestic Violence Task Force can help you with this process.

Domestic Violence

The family violence laws that protect spouses from abuse also apply to people who have been in a relationship or who have a familial relationship with one another, including people of the opposite sex who are together but are not married, as well as people who have a child in common, whether or not they are together. Children are also protected against abuse from parents, the live-in partners of parents, or individuals who act as parents. In addition to physical domestic violence, threatening to cause injury, if the words cause actual fear, may constitute domestic violence.

In 1995 and 1996, the North Carolina General Assembly enacted laws strengthening existing North Carolina violence laws, primarily the Domestic Violence Act found in the North Carolina General Statutes 50B.

Domestic Violence Protection Orders

North Carolina General Statutes Chapter 50B provides that victims of domestic violence can get an order of protection from the Court. Domestic Violence Restraining Orders ("50B", restraining orders, or DVPO's) are civil orders limiting the contact a person may have with a victim and the statutes provide for two types:

An Ex Parte Domestic Violence Protective Order is a temporary order that is available if there is a danger of serious and immediate injury to a qualifying adult or a minor child.

Such an order may be applied for at the Clerk of Superior Court's office during normal hours, and the victim will be required to appear before a judge to explain the need for an order of protection. If a judge finds that there is danger to the victim or a minor child, the judge can issue an emergency ex parte order of protection with any provisions the judge feels is needed to protect the victim or the minor child. Such an order is good for ten days.

If an ex parte order is requested and the judge feels it is not an emergency, a hearing date will be set. This hearing will allow the judge to decide if an order of protection should be issued without the other party being present. If the judge issues an emergency ex parte order, a hearing will still be required in order that the judge may decide whether another order, one lasting for one year, is necessary.

If a victim wishes to ask the judge for the year-long order, he or she will be required to come to court again. Otherwise, the judge will not grant the longer-lasting order, and the emergency order will expire. Once granted, this order becomes effective in every county of the state. Nevertheless, it is important that the victim keep a copy with them so that law enforcement officers in another county will be able to determine that such an order is in effect.

If the police are called, and if they have probable cause to believe that the person against whom the order is written has violated it, Section 50B-4(b) requires that they take the person into custody. He or she will be brought before a magistrate and a Magistrate's Order for Violation of a 50B obtained. The defendant will then be subject to restrictive conditions of the "48-hour" rule and its bond and conditions of release guidelines will apply.

Housekeeping more than Custodial

Housekeeping is crucial to a safe workplace, and every employee has a role in housekeeping. Housekeeping can play a significant part in preventing injuries and in improving productivity. Housekeeping should be part of your daily routine in your workspace. From cleaning up spills, disposing of items not needed, keeping walkways clear. I hope you find the tips below helpful.

Prevent Slips, Trips, and Falls

- Report/clean up any spills or leaks.
- Keep items up off the floor.
- Report any damaged flooring.

Fire Hazards/Safety

- Make sure all walkways and exits are not obstructed.
- Do not block fire extinguishers or pull stations.
- Do not block mechanical or fire alarm panels.
- Report any electrical hazards.
- Nothing should be stored in stairwells or mechanical rooms.
- Store flammable chemicals and materials appropriately.

Clutter

Clutter can lead to injuries or even ergonomic issues. Put all materials and equipment back where it is stored when you are finished with it. This will avoid an injury of it falling on someone, blocking emergency equipment or passageway, and give you more space within your work area for you to move more freely.

PPE (Personal Protective Equipment)

Like your work area and equipment you use should be inspected and kept in good working order, so should your PPE. If you use any PPE in your job, make sure you always check it before use for any damage or wear that could cause it not to perform as it is supposed to.

Always wear the required PPE or Safety equipment needed for the task you are completing.

Weather Watch vs. Warning vs. Advisory vs. Outlook

What is the DIFFERENCE?

The National Weather Service uses a four-tier approach to alert the public to weather hazards. These included outlooks, advisories, watches, and warnings. With an outlook as being least threatening to a warning being the most threatening.

OUTLOOK: This is ranked as the least threatening, with hazardous weather occurring within the next 3 to 7 days. When an Outlook is issued, you should monitor the weather situation for updates.

ADVISORIES: Are ranked as less threatening, with weather conditions being less severe but could cause a significant inconvenience. When an Advisory is issued, you should exercise caution.

The expected weather condition has a pretty good chance of occurring, even a likely chance of occurring, but typically an advisory is used for less severe types of weather conditions. A Wind Advisory might be issued, or a Freezing Rain Advisory issued instead of a High Wind Warning or an Ice Storm Warning.

WATCHES: Are ranked more serious, there is an increased risk of a hazardous weather event, but its occurrence, location, or timing is still uncertain. When a Watch is issued, you should listen for further information and plan, prepare if the danger materializes. Watches essentially mean there is a chance this condition will happen and usually covers a large geographical area for a lengthy period of time.

WARNINGS: Are ranked the most serious of alerts; this means a hazardous weather event is occurring, imminent, or likely, and a threat to life or property exists. When a Warning is issued, you should take action immediately to protect life and property—more definite time periods.

Introduction

The purpose of the Emergency Response Plan (ERP) is to provide Haywood Community College (HCC) employees and students a reference for use in the event of an incident resulting in an emergency situation. The plan is designed to provide procedures and assign responsibilities necessary to effectively respond to an emergency on the main campus as well as off-site facilities. Since it is impossible to predict the exact circumstances surrounding an emergency situation, these procedures do not cover every emergency that might develop and it may not always be feasible to follow every procedure. Each situation will be unique. Preparation, drills, and training are crucial to ensure safety and security during an emergency.

Campus Events

When the College plans to host an event/activity that calls for many more visitors to be on campus than normal, it is the responsibility of the employee(s) over the event/activity to notify the Coordinator of Campus Development Services & Events well in advance of the event/activity. The Campus Development Department will take the necessary steps to prepare for a potential emergency incident that could involve more people than normally on the college campus.

Off Campus Events

College employees are responsible for off-campus student events and activities (field trips, student competitions, etc.) and are responsible for following the guidelines in the College Emergency Response Plan. The specific type of incidents that may be encountered will be unique to the class/field trip and as such, every situation cannot be addressed by the ERP. The College employee submitting the travel authorization request will assume the responsibility for HCC in an off campus incident, if an emergency situation occurs.

Public Relations

The Public Information Officer (PIO) shall be the only official spokesperson to respond to the media in the event of an emergency. The Campus Development Department will determine a safe location for the media and any and all assistance will be provided to aid in affective communications. Faculty and staff should refrain from speaking with the press to prevent speculation and incorrect information being shared.

Drills and Training

All drills should be taken serious and Training is a vital component of the preparedness and safety for Haywood Community College. Employees, faculty, staff and students will be oriented to the appropriate emergency response and will participate in drills and training annually. Local emergency responding agencies will be included in drills and training exercises as deemed necessary. While you are participating in a drill you should react as if it is a real life situation. Example: Lock-down drill – You should Lock door, close blinds, turn off lights, silence phones, and barricade doors.

Emergency Notification System (ENS)

Haywood Community College's Emergency Notification System (ENS) includes the use of text messaging, voice mail and e-mail to send an official College wide emergency directive to employees and students. Voice mail can be sent to a cell phone and/or a land line phone.

Individuals must sign up for this service and can do so by logging in at login.haywood.edu there is an Emergency Notifications Link under Essential Tools. It is the responsibility of the individual to keep contact information updated and edits can be made when needed.

Haywood Community College has an Emergency Notification Exterior Speaker System to notify individuals that are on the main campus grounds of an emergency situation. This consist of different sirens and tones as well as voice commands.

Responsibilities Preparing for an Emergency Situation

Employee: Read HCC Emergency Response Plan, Be familiar with the campus and campus buildings you work in and frequent often, participating in campus training sessions and drills, signing up for the college's emergency notification system, and ask questions.

Student: Read HCC Emergency Response Plan, Be familiar with the campus and campus buildings you have classes in and frequent often, participating in campus trainings and drills, signing up for the college's emergency notification system, and ask questions.

Responsibilities During an Emergency Incident

Employee Response Responsibilities

As college employees, faculty and staff are responsible for following directives given by members of the Campus Incident Command Team. Following the procedures outlined in this ERP.

During an emergency, HCC employees are the natural first responders and are encouraged to assist students as needed during an emergency. If HCC has prior knowledge of a student with specific support needs, his/her instructors will be informed through a documented Safety Plan which should be followed as written. Any questions or concerns regarding a student's Safety Plan should be communicated with the Director of Student Wellness.

If you feel you will need external support during an emergency, or during campus emergency drills, due to an area of disability or impairment, it is your responsibility to make Haywood Community College is aware of your needs. Please contact the Director of Human Resources to develop a Safety Plan.

- Understanding and using the procedures of the ERP to deal with incidences and emergency situations.
- Reporting emergency incidences and/or suspicious activity and/or individuals Campus Security.

College employees and students are urged to be aware of what is happening in their campus surroundings. Employees should talk to students about the importance of reporting observations of suspicious behavior, language/threats and/or actual incidents that appear threatening and dangerous. Every individual is responsible for reporting an incident or suspicion of an incident to campus security as quickly as possible so that appropriate action can be taken to isolate and respond to the incident.

Faculty Response Responsibilities

- Maintaining student attendance rolls and helping to account for students during sheltering and/or evacuation

Student Response Responsibilities

- Reporting incidents and suspicious activities and/or individuals to the most immediate College authority figure
- Following directives of HCC Employees and external emergency responders during an incident and the emergency response
- Being accounted for during sheltering and/or evacuation
- Following directives about staying on or leaving campus during an incident
- Refraining from use of cell phone when directed (ex: use of cell phone can detonate an explosive device and alert aggressor to your location)
- Wearing HCC identification badge.

Emergency Protocols:

S.E.L.F. Active Shooter Response which stands for Survey, Evacuate, Lock-down, Fight-back.

Survey:

Survey means being aware of your surroundings. Where you are and what is available if you need to make yourself safe and assist others to safety. Being aware and alert can mean the difference between life and death. It doesn't require extreme circumstances to Survey. And by always being aware of your surroundings the SELF Protocol will be easier to follow.

Active Shooter Evacuation:

Evacuation when possible is your first choice. If you can leave the area of danger do it. When evacuating remember these steps.

- Evacuate the area of danger and run as far as possible.
- If there is someone who needs assistance help them evacuate being aware that helping may place you or others in greater danger.
- As soon as you are safe call or text 911 and alert authorities.
- If you encounter law enforcement when evacuating immediately raise your hands over your head with your fingers spread apart and yell we are coming out.
- If evacuating through a door is not an option a first floor window can be an alternative choice.
- If above the first floor locking down and securing in place is the best option.

Remember that these same steps can be used to evacuate any location that you feel unsafe. You may be in the café, library, or tutoring lab so always be alert survey your surroundings and consider your options for evacuating.

Lock-down:

If evacuating is not an option your second choice is to Lock-Down. Also known as securing in place. If you cannot leave from the danger make your space inaccessible to the danger. When locking down remember these steps.

- Locking down requires a space that can be locked or secured. If you are not in such a place move quickly to a place where you can lock or secure the doors. If available use the door lock and remember all doors can be secured even if they do not have a lock. Use belts to tie two doors together. Tie the door hedges together. Or use a belt or electrical cable tie it around the door handle while pulling the other end tight as you stand to the side.
- In addition to a lock barricading an entrance can make a room even more secure and deter an aggressor. Stack desk, chair, or other objects to block the door or make it difficult for an aggressor to enter the space.
- After securing the space move to an area out of sight, turn off the lights, close any blinds, silence all cell phones, and plan your next actions in case the aggressor enters the room.
- Though being quiet is important it is still necessary to contact 911. Do this in a low voice or with a text.

Remember that these same steps can be used in locking down any room. You may be in the café, library, or tutoring lab so always be alert survey your surroundings and consider your options for securing in place.

Fight-back:

The last and least desirable option is to Fight-Back. However if the aggressor enters your space fighting back may be your only choice. When fighting back remember these steps.

- Only confront the aggressor if you are in immediate danger and have no other option.
- Distracting, disarming, and sub doing the aggressor may be your only choice.
- Every room has items you can use to distract the aggressor backpacks, books, water bottles, coffee cups, or similar sized items can all be thrown at the aggressor.
- If the weapon is separated from the aggressor put a large item over the weapon such as a trash can or backpack. Keeping the weapon will cause you to be seen by law enforcement as the aggressor.
- If it becomes necessary it is important that you resist forcefully and however possible.

Remember that these same steps can be used for fighting back in any room. You may be in the café, library, or tutoring lab so always be alert survey your surroundings and consider your options for actively protecting yourself.

Seek Shelter Protocol:

A severe weather related incident that poses or has the potential to pose risk to students, faculty, and staff. Example Tornado or Severe High Winds. Proceed to the nearest classroom, office, or other confined space. Remain in shelter until notified by emergency responders that it is safe to leave. It requires closing doors and windows but not locking or otherwise securing them so that emergency responders can easily gain access to provide assistance. Account for all students and employees.

Seek Shelter Guidelines

- If outdoors, proceed to the nearest classroom, office, or confined space.
- If indoors, stay in the classroom, office, or other confined space or if in the hallway, proceed to nearest classroom, office, or other confined space. Do not proceed to an auditorium, entry way, or other area with a wide roof span.
- Close windows and doors. Close blinds if possible
- Move away from windows and doors. It is preferable to sit against an interior wall for protection. Be still and quiet.
- Account for students, employees and staff
- **Do not leave the shelter until notified to do so by emergency responders.** Leaving a shelter area too soon may result greater harm.
